

MEETING AGENDA

Fall 2019 Clinical & Financial Leaders Meeting: Draft Agenda

Partnering on High-Value Coverage & Care

October 23-24 | Portland, OR

* Denotes a plenary session, meaning all attendees are invited: Behavioral Health Leaders, Clinical Executives, Financial Leaders, Medical Directors, Pharmacy Directors, and Quality Leaders. Attendees typically have one of the following degrees: MD, RPh, RN, or MSW. The degrees of the staff comprising ACHP's Clinical Innovation team mirror those of the attendees: two MSWs, one PharmD, and one MD. The team has devoted considerable thought to the design of the plenary sessions, ensuring that the majority of the sessions are valuable and relevant to all attendees.

8:00 – 8:15 a.m.

Welcome & Introductions

Russ Kuzel, M.D., SelectHealth

Beth Monsrud, UCare

8:15 – 9:00 a.m.

***Keynote**

Governor John Kitzhaber, M.D.

Former Governor John Kitzhaber will share his views on the core elements of a sustainable health care system, drawing on his experience as an emergency room physician and the longest-serving governor in Oregon history. He will

discuss the specific barriers that hold us back and strategies for challenging the status quo through innovation and collaboration.

9:00 – 10:00 a.m.

Peer-Led Interventions for Mental Health

Access to high-quality mental health services is severely limited in many areas of the U.S. Peer-to-peer interventions offer an affordable and promising opportunity to link professional mental and physical health care services to individuals with serious mental illness. In this session, attendees will hear a variety of perspectives on peer-led interventions, helping them identify opportunities to implement these cost-effective, high-touch approaches to improving access to care.

Panelists: **John Sinclair Brekke**, PhD, University of Southern California
Matt Hurford, M.D., Community Care Behavioral Health Organization
Heather Holladay, PG&E

Moderator: **Jennifer Garber**, UCare

This session would be applicable to all attendees except for the pharmacists.

10:00 – 10:30 a.m.

Networking Break

10:30 a.m. – 12:00 p.m.

*** Cost of Care Discussions (Small Groups)**

Attendees will share organizational best practices on clinical and financial leader collaboration at their respective companies to address cost of care.

JOINT LEARNING SESSIONS

8:00 – 8:30 a.m.

***Welcome / Regional Perspective**
Ken Provencher, PacificSource (*invited*)

- 8:30 – 9:15 a.m. ***Keynote**
 Dr. Molly Coye will discuss digital health and how it is transforming both consumer and provider interactions and care delivery. What opportunities and challenges do these new technologies present to nonprofit, regionally-based community health plans? Coye is executive in residence at AVIA, the leading network for health systems advancing digital solutions, and she previously served as chief innovation officer for UCLA Health.
Molly Coye, M.D., AVIA
- 9:15 – 9:45 a.m. ***CEO Update**
Ceci Connolly, ACHP
- 9:45 – 10:15 a.m. **Networking Break**
- 10:15 – 11:30 a.m. **Creating Shared Value by Addressing Social Needs**
 The current enthusiasm for addressing social determinants of health (SDOH) has fostered important discussions and has led many to ask what the role of health plans and providers should be in addressing pervasive, societal problems. The evolution of value-based care creates an opportunity to develop innovative business models that better serve the needs of patients and communities while delivering more competitive financial returns. Panelists will provide real-life examples of how they have seized this opportunity, the outcomes they've achieved and the work that lies ahead.
- Panelists: **Nicole Friedman**, Kaiser Permanente Northwest
Krista Hoglund, Security Health Plan
Edward McEachern, M.D., PacificSource
Sarita Mohanty, M.D., Kaiser Permanente

- 12:00 – 1:00 p.m. **Collaborative Breakouts & Lunch**
The Behavioral Health Leaders, Clinical Executives & Quality Leaders, Financial Leaders, Medical Directors and Pharmacy Directors will each meet for one hour to dive deeper on topics of interest.
- Medical Directors**
- **Moving Further and Faster on Value-Based Care:** Experience has shown that value-based payment models can improve care and lower costs. Yet, the transition to value has been slower than what many health care leaders have hoped. Join your ACHP Medical Director colleagues in a facilitated discussion on what has accelerated and potentially impeded successful value-based care payment models in your region. *Moderator: George Isham, MD, ACHP*

Pharmacy Directors

- **Round Robin Part 2:** Pharmacy Directors will have the opportunity to continue discussions focused on pharmacy related challenges in an evolving healthcare landscape. *Moderator:* Courtney Johnson, PharmD, ACHP

Clinical Executives & Quality Leaders, Behavioral Health Leaders, Financial Leaders

- **Incentivizing Behavioral Health Integration:** Behavioral Health Leaders, Clinical Executives & Quality Leaders and Financial Leaders will discuss promising practices for engaging primary care and behavioral health providers to promote more integrated care, using innovative clinical and financial models, shared performance goals and educational support. *Moderator:* Kiana Moore, ACHP
