

ACHP-2020-Digital-Therapeutics-Webinar-Handout 6-3-20

Learning Objectives

At the conclusion of this **What's Your Digital Strategy During the Pandemic and Beyond?** one- and one-half (1.5) hour long webinar:

Behavioral Health Leaders, Clinical and Quality Executives, Medical Directors, and Pharmacy Directors will be able to identify tools needed to leverage a digital strategy during the COVID-19 pandemic and beyond; more deeply understand the current and rapidly evolving landscape of digital therapeutics; become adept at evaluating the various types of digital therapies and services.

Target Audience

Participants include ACHP Financial Leaders, Behavioral Health Directors, Pharmacy Directors, Quality Leaders, Medical Directors and Clinical Executives from ACHP member plans.

Program Overview and Agenda

This is this first of three ACHP webinars that were originally planned as in-person programming for its Annual Spring Clinical Collaborative Meeting in Washington, DC on June 3-4, 2020. It will run through WebEx from 2:00pm-3:30pm, Jun 3, 2020. Digital health technology is transforming the way health care is delivered during the COVID-19 pandemic. As the range of digital therapeutics expands, health care decision makers must be adept at evaluating the various types of therapies and services available to patients. Hear from ACHP plans and industry experts on how COVID-19 has changed the future of digital health care, the tools needed to leverage your digital strategy and navigating the landscape.

Accreditation and Credit Designation

In support of improving patient care, this activity has been planned and implemented by the University of Pittsburgh and the Alliance of Community Health Plans. The University of Pittsburgh is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians

The University of Pittsburgh School of Medicine designates this live activity for a maximum of 1.5 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Pharmacists

This knowledge-based activity provides 1.5 *contact hours* of continuing pharmacy education credit.

Nurses and Nurse Practitioners

The maximum number of hours awarded for this Continuing Nursing Education activity is 1.5 *contact hours*.

Other health care professionals

Other health care professionals will receive a certificate of attendance confirming the number of contact hours commensurate with the extent of participation in this activity.

How do I get my credits?

The UPMC Center for Continuing Education in the Health Sciences (CCEHS) continuing education learning portal, <http://cce.upmc.com>, is used to register, claim and track all your continuing education credits. Certificates will be available to download and stored for future reference.

To receive credit, you will be required to login, complete the course evaluation and claim credit within **six months of the activity**. If you are a new user, click "Register" to create a new account. The activity will be added to your **Pending Activities** and accessible on the first day of the activity. Upon completion, certificates will be available to download and stored for future reference in your **Completed Activities**.

Attention Pharmacists: CCEHS will upload your credits to the NABP within 30 days of your completion of this activity, including claiming credit and completing the course evaluation. The NABP does not allow credits to be uploaded after 60 days of the activity start date.

To answer common questions or for step-by-step instructions, please visit the **FAQs** available on the CCEHS Learning Portal.

Faculty Disclosure

No members of the planning committee, speakers, presenters, authors, content reviewers and/or anyone else in a position to control the content of this education activity have relevant financial relationships with any entity producing, marketing, re-selling, or distributing health care goods or services, used on, or consumed by, patients to disclose.

The information presented at this CME program represents the views and opinions of the individual presenters, and does not constitute the opinion or endorsement of, or promotion by, the UPMC Center for Continuing Education in the Health Sciences, UPMC / University of Pittsburgh Medical Center or Affiliates and University of Pittsburgh School of Medicine. Reasonable efforts have been taken intending for educational subject matter to be presented in a balanced, unbiased fashion and in compliance with regulatory requirements. However, each program attendee must always use his/her own personal and professional judgment when considering further application of this information, particularly as it may relate to patient diagnostic or treatment decisions including, without limitation, FDA-approved uses and any off-label uses.
