

## **ACHP-2020-Navigating-COVID-19-Pandemic-Webinar-Handout 6-24-20**

### **Learning Objectives**

At the conclusion of this **Navigating the COVID-19 Pandemic: Insights from Washington State** one-hour (1.0) hour long webinar:

**Behavioral Health Leaders, Clinical and Quality Executives, Medical Directors, and Pharmacy Directors** will gain valuable and practical insights from real-life experiences and policies put into place at ground zero of the COVID-19 pandemic in the United States, to assist them in their daily work of navigating the COVID-19 pandemic as clinical leaders of nonprofit, community-based health plans.

### **Target Audience**

Participants include ACHP Financial Leaders, Behavioral Health Directors, Pharmacy Directors, Quality Leaders, Medical Directors and Clinical Executives from ACHP member plans.

### **Program Overview and Agenda**

This is this third of three ACHP webinars that were originally planned as in-person programming for its Annual Spring Clinical Collaborative Meeting in Washington, DC on June 3-4, 2020. It will run through WebEx from 3:00pm-4:00pm, Jun 24, 2020. The COVID-19 pandemic has touched every aspect of our lives, and health experts believe we will be living with COVID-19 for some time. How does this new reality shape our future going forward? What does our future look like when viewed from a lens of living with COVID-19 rather than returning to the pre-COVID era? What role do health plans play in keeping their communities safe as the country returns to “a new normal?” Vice Admiral Raquel C. Bono, Washington state’s COVID-19 hospital “czar,” will provide insight into these questions and more.

### **Faculty Listing**

#### **Vice Admiral Raquel Bono, MD**

Senior Fellow, Johns Hopkins University Applied Physics Laboratory  
Washington State COVID-19 Health System Response Management  
Seattle WA

### **Accreditation and Credit Designation**

In support of improving patient care, this activity has been planned and implemented by the University of Pittsburgh and the Alliance of Community Health Plans. The University of Pittsburgh is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

## **Physicians**

The University of Pittsburgh School of Medicine designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

## **Pharmacists**

This knowledge-based activity provides 1.0 *contact hour* of continuing pharmacy education credit.

## **Nurses and Nurse Practitioners**

The maximum number of hours awarded for this Continuing Nursing Education activity is 1.0 *contact hour*.

## **Other health care professionals**

Other health care professionals will receive a certificate of attendance confirming the number of contact hours commensurate with the extent of participation in this activity.

## **How do I get my credits?**

The UPMC Center for Continuing Education in the Health Sciences (CCEHS) continuing education learning portal, <http://cce.upmc.com>, is used to register, claim and track all your continuing education credits. Certificates will be available to download and stored for future reference.

To receive credit, you will be required to login, complete the course evaluation and claim credit within **six months of the activity**. If you are a new user, click “Register” to create a new account. The activity will be added to your **Pending Activities** and accessible on the first day of the activity. Upon completion, certificates will be available to download and stored for future reference in your **Completed Activities**.

**Attention Pharmacists:** CCEHS will upload your credits to the NABP within 30 days of your completion of this activity, including claiming credit and completing the course evaluation. The NABP does not allow credits to be uploaded after 60 days of the activity start date.

To answer common questions or for step-by-step instructions, please visit the **FAQs** available on the CCEHS Learning Portal.

## **Faculty Disclosure**

No members of the planning committee, speakers, presenters, authors, content reviewers and/or anyone else in a position to control the content of this education activity have relevant financial relationships with any entity producing, marketing, re-selling, or distributing health care goods or services, used on, or consumed by, patients to disclose.
