

PROGRAM OVERVIEW:

Ethical issues for health care providers' impact care at the bedside regularly. The increasing complexity of medicine often leaves providers looking for support and guidance from additional sources. Raising awareness of ethical issues and providing an opportunity to discuss potential sources of conflict for providers and patients and families is the overall goal of the program.

Attendees will watch the movie "The Savages" and together identify what the ethical issues are for all parties' involved and potential resolution of conflict.

ETHICS NIGHT AT THE MOVIES

Thursday, November 14, 2019

6:00 PM – 9:00 PM

Passavant Hospital Foundation

Conference Center & Legacy Theatre

700 Cumberland Woods Drive

Allison Park, PA 15101

(on the campus of UPMC Passavant McCandless)

Featuring:

Viewing of the Movie "The Savages" which follows a brother and sister who have been estranged from their father for years and suddenly find themselves being asked to make his medical decisions and arrange for his care. The movie is filled with ethical issues such as informed consent, decision making capacity, standards of surrogate decision making and respect for persons. This movie reminds health professionals that with every patient comes a complex family history that will play a role in the therapeutic process.

CONTINUING EDUCATION

CREDITS:

In support of improving patient care, the University of Pittsburgh is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME) and the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.
