## **COURSE DIRECTORS**

Amer H. Zureikat, MD

Aatur D. Singhi, MD, PhD

Susannah Ellsworth, MD

Randall E. Brand, MD

Adam Slivka, MD, PhD

## INTENT AND OVERVIEW

This course is designed to cover the most recent advances in pancreatic cancer therapy including methods of detection, treatment, and research. Upon completion of this activity, learners from several disciplines should be able to discuss current strategies and updates in diagnosis and management of pancreatic cancer, based on the latest guidelines and newest technology.

## WHO SHOULD ATTEND

Gastroenterologists, general surgeons, hepatopancreatobiliary surgeons, medical, radiation, and surgical oncologists, pathologists, primary care physicians, residents, fellows, advanced practice providers, nurses, and other interested health care professionals.

## CONTINUING EDUCATION CREDIT

In support of improving patient care, the University of Pittsburgh is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the health care team.

## PHYSICIAN (CME)

The University of Pittsburgh designates this live activity for a maximum of 6.0 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other health care professionals will receive a certification of attendance confirming the number of contact hours commensurate with the extent of participation in this activity.
