2020 CARDIOVASCULAR UPDATE CONFERENCE

7:30 to 8:15 a.m.	Registration/Continental Breakfast
8:15 to 8:20 a.m.	You Had Me at Hello: Introduction Richard Petrella, MD, FACC, FACP, FSCAI, FSVM
8:20 to 8:50 a.m.	Houston, We Have a Problem: Evaluation of New Systolic Dysfunction Eric Dueweke, MD, MBA, FACC
8:50 to 9:20 a.m.	To Infinity and Beyond! Evaluation and Treatment of Semilunar Valve Dysfunction Christopher Good, DO, FACC
9:20 to 9:45 a.m.	The Force Is Strong With This One: Interpretation of Vascular Studies Robert Maholic, DO, FACC, FSVM
9:45 to 10 a.m.	Refreshment Break
10 to 10:45 a.m.	You Talking to Me? Low-Risk TAVR vs SAVR Francis Ferdinand, MD; Quentin Orlando, DO, FACC, FSCAI
10:45 to 11:15 a.m.	Say Hello to My Little Friend: Advanced Therapies for Afib Jean Moubarak, MD, FACC
11:15 to 11:40 a.m.	You Can't Handle the Truth: Q&A Session Faculty Panel
11:40 a.m. to 12:30 p.m.	I'll Have What She's Having — Lunch and Networking
12:30 to 1:10 p.m.	Snap Out of It! Interesting Cases — Are You Awake? Faculty Panel
	KEYNOTE
1:10 to 2:10 p.m.	There's No Place Like Home: Advanced VADS in the Community Mary Keebler, MD
2:10 to 2:30 p.m.	After All, Tomorrow Is Another Day: One Patient's Journey From Life With Heart Failure to Life After Transplant Marty Brown
2:30 to 2:45 p.m.	Refreshment Break
2:45 to 3:15 p.m.	Just When I Thought I was Out, They Pulled Me Back In: Cardiac Rehab Craig Davic, MEd
3:15 to 3:40 p.m.	Thank You, Sir, May I Have Another? Q&A Session Faculty Panel
3:40 p.m.	I'll Be Back! — Closing Remarks and Adjournment

SCHOLARSHIPS AVAILABLE TO NONPHYSICIAN UPMC EMPLOYEES!

GOAL

Join your colleagues and gain the latest updates and practice guidelines in cardiovascular care! This full-day symposium offers a comprehensive review of new diagnostic techniques and therapeutic treatments, the latest clinical trials, and state-of-the-art technology in contemporary cardiovascular medicine using concise didactic presentations, combined with a panel discussion and case presentations. Electronic handouts will be made available to conference attendees.

Following this course, the participant should be able to formulate a practical approach to common cardiovascular disorders; identify the appropriate tests that can be used to determine the severity of the patient problem and make an accurate diagnosis; discuss the various treatment options available; and recognize how to treat and when to refer cardiac patients. This activity is expected to result in increased confidence in making a diagnosis and providing effective treatment, referral, and follow-up care with the overall goal of improving patient outcomes.

TARGET AUDIENCE

Family physicians, internists, cardiologists, cardiovascular thoracic surgeons, advanced practice providers, nurses, allied health professionals, and other health care professionals who treat and care for patients with heart disease will benefit from attending this educational activity.

OBJECTIVES

At the conclusion of this activity, the participant should be able to:

- Describe common causes of systolic dysfunction
- Discuss effective diagnostic work-up for new systolic dysfunction
- Review anatomy and physiology of mitral and tricuspid valves
- Discuss treatment modalities available for tricuspid and mitral valve dysfunction
- Assess efficacy of tests used to evaluate common vascular disorders and determine the best test for specific cases
- Discuss the difference between functional and anatomic testing for vascular disorders
- Recognize when to refer or consult with a vascular specialist to provide optimal patient care
- Define the Society of Thoracic Surgeons' (STS) risk score calculation
- Review low-risk TAVR trials
- Discuss pros and cons of both surgical and transcatheter approach to aortic valve replacement
- Review basic evaluation and work-up for atrial fibrillation
- Describe treatment modalities for atrial fibrillation, including anticoagulants, medical therapies, ablation, and appendage occlusion
- Review interesting cases and cutting-edge treatments in cardiovascular medicine
- Review current state of advanced treatment for heart failure in the community
- Assess the impact of heart failure and heart transplant from a patient's perspective
- Review indications for cardiac rehabilitation
- Describe the various phases of cardiac rehabilitation
- Recognize when it is appropriate to refer patients to a cardiac rehabilitation program

ACCREDITATION

In support of improving patient care, the University of Pittsburgh is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the health care team.

PHYSICIAN

The University of Pittsburgh designates this live activity for a maximum of **6.0** AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NURSING

The maximum number of hours awarded for this Continuing Nursing Education activity is 6.0 contact hours. Nurses should only claim credit commensurate with the extent of their participation.

PHYSICIAN ASSISTANT

The University of Pittsburgh has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 6.0 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

AOA ACCREDITATION

The Philadelphia College of Osteopathic Medicine is accredited by the American Osteopathic Association to provide osteopathic continuing medical education for physicians. The Philadelphia College of Osteopathic Medicine designates this program for a maximum of six hours of AOA Category 1-A credits and will report CME and specialty credits commensurate with the extent of the physician's participation in this activity.

AMERICAN ACADEMY OF FAMILY PHYSICIANS CREDIT

AAFP credit is pending approval.

AMERICAN SOCIETY OF RADIOLOGIC TECHNOLOGISTS CREDIT

ASRT Credit is pending approval.

OTHER HEALTH CARE PROFESSIONALS

Other health care professionals will receive a certificate of attendance confirming the number of contact hours commensurate with the extent of participation in this activity.

DISCLOSURE

Faculty for this activity have been required to disclose all relationships with any proprietary entity producing health care goods or services, with the exemption of nonprofit or government organizations and non-health-care-related companies.

CANCELLATION POLICY

Tuition for cancellations postmarked or date stamped before April 24, 2020, will be completely refunded. After April 24, 2020, a \$30 administration fee will be assessed. No refunds will be made after May 4, 2020. However, substitutes are welcome. Please notify UPMC Hamot's CME Department of substitutions and cancellations, via email to ham_cme@upmc.edu or by telephone at 814-877-4011, or via USPS mail to: UPMC Hamot CME Department, 201 State St., Erie, PA 16550.
