Department Of Internal Medicine/Division of Hematology
and Oncology*

Pre-registration Required (see page 2 for registration information and options)

Overview: To provide primary care practitioners with evidence-based updates on current trends in screening, treating, managing and preventing various cancers.

Target Audience: Primary Care Practitioners and other healthcare providers caring for patients with or at risk for malignancies.

Objectives: Upon completion of this conference the participant should be able to:

- *Integrate new evidence into everyday clinical practice, thereby improving quality of care for patients.*
- *Implement practice changes in a variety of management options for patients with prostate, breast and lung malignancies including radiation, chemotherapy, and surgical treatment modalities.*

Agenda & Faculty: Please see page 3.

CME Accreditation:

In support of improving patient care, the University of Pittsburgh is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME) and the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

The University of Pittsburgh School of Medicine designates this live activity for a maximum of 4.0 AMA PRA Category I Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other health care professionals will receive a certificate of attendance confirming the number of contact hours commensurate with the extent of participation in this activity.

The University of Pittsburgh is an affirmative action, equal opportunity institution.

Pre-registration is required – please either register electronically by following the link below (you will need to first create an account) or submit the form below to Alex Hill (hillac3@upmc.edu)
