

# *45<sup>th</sup> Annual Magee Alumni Day*

## *Program Schedule*

Friday, October 2, 2020

Presenting virtually, via TEAMS

UPMC, Magee-Womens Hospital

Drs. Hutchinson and Hayashi Auditorium

Pittsburgh, Pennsylvania

### **Overview**

For this year's Magee Alumni Day program, we have an exciting line-up of speakers consisting of past and current faculty and former residents. The program will feature updates on clinical care over the entire age spectrum of our patients. We expect the program to present topics that pose challenging clinical, technical, ethical, and financial issues that today's OB/GYN often faces, whether in practice or in an academic career. The program features endowed lectures – the Cohen, McCall, OB/GYN Legacy, Katz Minimally Invasive Surgery, and the Alan Kunschner Memorial lectures.

### **Target Audience**

This program is focused on health care practitioners in obstetrics and gynecology as well as in other primary care specialties.

### **Objectives**

- Understand the Nuances between Quality Improvement and Patient Safety
- Appreciate the importance of a multidisciplinary approach to the care of endometriosis patients
- To present the role of a postpartum perineal clinic
- Describe current best practices for use of long acting reversible contraceptives (LARCs)
- Understanding the business side of an OB Practice

### **Target Audience**

This Program is focused on healthcare practitioners in obstetrics and gynecology as well as other primary care specialties

University of Pittsburgh School of Medicine and UPMC Magee-Womens Hospital

## ***CME Accreditation and Designation Statement***

In support of improving patient care, the University of Pittsburgh is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

### **Physician (CME)**

The University of Pittsburgh designates this live activity for a maximum of 4.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### **Nursing (CNE)**

The maximum number of hours awarded for this Continuing Nursing Education activity is 4.5 contact hours.

### **Physician Assistant (AAPA)**

The University of Pittsburgh has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 4.5 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Other health care professionals will receive a certificate of attendance confirming the number of contact hours commensurate with the extent of participation in this activity.

### ***Faculty Disclosure:***

All individuals in a position to control the content of this education activity are required to disclose all relevant financial relationships with any proprietary entity producing, marketing, re-selling, or distributing health care goods or services, used on, or consumed by, patients.

The following relevant financial relationships were disclosed:

- Richard Guido, MD Consultant: ASCCP Risk based management project
- Richard Guido, MD Consultant: Inovio Pharmaceuticals DSMB
- Richard Guido, MD Consultant: Relagolic Pharma
- Lisa Keder, MD Grant/research Support: Medicine 360
- Lisa Keder, MD CE Speakers Bureau: Merck/Nexplanon trainer

No other planners, members of the planning committee, speakers, presenters, authors, content reviewers and/or anyone else in a position to control the content of this education activity have relevant financial relationships to disclose.

### ***Disclaimer Statement***

The information presented at this CME program represents the views and opinions of the individual presenters, and does not constitute the opinion or endorsement of, or promotion by, the UPMC Center for Continuing Education in the Health Sciences, UPMC / University of Pittsburgh Medical Center or Affiliates and University of Pittsburgh School of Medicine. Reasonable efforts have been taken intending for educational subject matter to be presented in a balanced, unbiased fashion and in compliance with regulatory requirements. However, each program attendee must always use his/her own personal and professional judgment when considering further application of this information, particularly as it may relate to patient diagnostic or treatment decisions including, without limitation, FDA-approved uses and any off-label uses.
