

ACHP COVID-19 Virtual Clinical Summit: Community Health Plans at a Turning Point in the COVID-19  
Pandemic  
February 18, 2021

**Learning Objectives**

At the conclusion of the meeting participants will be able to:

- Provide timely information regarding the impact of the COVID-19 pandemic on health plan operations
- Share learnings about vaccine distribution, therapeutics, and testing leading to informed decision making
- Understand the current political environment and implications on practice

**Target Audience**

Participants include ACHP Behavioral Health Leaders, Clinical Executives, Medical Directors, Pharmacy Directors and Quality Leaders from ACHP member plans.

**Program Overview**

ACHP is hosting its COVID-19 Virtual Clinical Summit online on February 18, 2021

- This half-day clinical summit will focus on implications of the new chapter in the COVID-19 pandemic with sessions focused on policy, operations, and health equity considerations. With a focus on shared learning, presenters will discuss opportunities to advance care in response.

**CME Accreditation and Designation Statement**

CME Accreditation and Designation Statement

In support of improving patient care, this activity has been planned and implemented by the University of Pittsburgh and the Alliance of Community Health Plans. The University of Pittsburgh is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physician (CME)

The University of Pittsburgh designates this live activity for a maximum of 3.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nursing (CNE)

The maximum number of hours awarded for this Continuing Nursing Education activity is 3.5 contact hours.

Pharmacy (CPE)

This knowledge-based activity provides 3.5 contact hours of continuing pharmacy education credit.

Other Healthcare Professionals

Other health care professionals will receive a certificate of attendance confirming the number of contact hours commensurate with the extent of participation in this activity.
