Presented by:

Dr. Andrea Pfeifle, EdD, PT, FNAP, Associate Vice Chancellor for Interprofessional Practice and Education; Director, Interprofessional Practice and Education Center, The Ohio State University. Dr. Pfeifle has an impressive and extensive career in education, working to advance interprofessional education and teaching collaborative practice models across medical and health science education programs for more than 25 years.

The **UPMC Office of Advanced Practice Providers System Wide Citizenship Grand Rounds** is a monthly series of one hour or less live online lectures and discussions selected for their high priority and universality of relevance to APP practice and settings across the diversity of enterprise business units. The goal of this series is to ensure that there is a common thread of regularly scheduled updates in a bi-directional feedback forum to ensure that APPs are kept abreast and educated on system wide topics of high importance. This series will be held live online via Microsoft Teams.

[You must register in order to participate in the online lecture.](#) UPMC employees should use their UPMC email address when registering.
