

Pulmonary Fibrosis Education Event

Saturday, September 7, 2019

Hotel Indigo Pittsburgh Technology Center

329 Technology Drive, Pittsburgh, PA 15219

Describe the Current Problem(S) In Practice Of Your Target Audience That You Want To Address In This Activity.:

Patients with pulmonary fibrosis are frequently not aware of the most recent recommendations for management of their lung disease. Providers may not be aware of the most recent guidelines to care for these patients.

Program overview

In honor of Global Pulmonary Fibrosis Awareness Month, the University of Pittsburgh Dorothy P. & Richard P. Simmons Center for Interstitial Lung Disease at UPMC will host the 2019 Pulmonary Fibrosis Education Event for patients with pulmonary fibrosis and their caregivers, and providers who care for these patients and their caregivers.

Learning objectives

Objectives include:

- 1) Providing educational information on the most recent guidelines in the diagnosis and management of pulmonary fibrosis.
- 2) Providing practical information to patients and their caregivers to access care that helps to best manage their lung disease.

Target Audience

Patients and Caregivers, Physicians, Nurses, Respiratory Therapist, Pulmonary Function Technologists, Social Workers

CME Accreditation and Designation Statement

In support of improving patient care, the University of Pittsburgh is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

The University of Pittsburgh School of Medicine designates this live activity for a maximum of 5.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other health care professionals will receive a certificate of attendance confirming the number of contact hours commensurate with the extent of participation in this activity.

8:00 AM	REGISTRATION AND BREAKFAST	
8:50 AM	Welcome	Daniel Kass/Kathleen Lindell
9:00 AM	Understanding Pulmonary Fibrosis (30 minutes)	Kevin F. Gibson, MD
9:30 AM	Genetics & Pulmonary Fibrosis (30 minutes)	Jonathon Alder, PhD
10:00 AM	Diagnosis and Management of PF (30 minutes)	Daniel J. Kass, MD
10:30 - 10:45	BREAK	
10:45 - 11:45 AM	KEYNOTE Cell-based therapies in lung disease: are we there yet?	Marilyn Glassberg, MD
11:45 - 12:15 PM	Aging and IPF (30 minutes)	Mauricio Rojas, MD
12:15 - 1:00 PM	LUNCH	
1:00 PM	Research Opportunities (20 minutes)	Michelle Meyers, BSN, RN
1:20 PM	Pulmonary Rehab (20 minutes)	Deborah Piontek, BS
1:40 PM	Oxygen Therapy (20 minutes)	Melissa Priore, RN
2:00 PM	Taking Care of your Feelings (20 minutes)	Deborah Gillman, PhD
2:20 PM	BREAK	
2:40 PM	Quality of Life (20 minutes)	Kathleen Lindell, PhD, RN
3:00 PM	Transplant - Medical Aspects (30 minutes)	Matthew Morrell, MD
3:30 PM	Transplant - Surgical Aspects (30 minutes)	Pablo Sanchez, MD
4:00 PM	ADJOURNMENT	Daniel Kass/Kathleen Lindell

KEYNOTE SPEAKER

Marilyn Glassberg, MD

Chief, Division of Pulmonary, Critical Care and Sleep Medicine

Senior Director, Clinical Strategy and Growth,
Department of Internal Medicine

Medical Director, Dorothy P. & Richard P.

Simmons Center for Interstitial Lung Disease at
UPMC

Jonathan Alder, PhD

Assistant Professor of Medicine

University of Pittsburgh School of Medicine

Dorothy P. & Richard P. Simmons Center for

Interstitial Lung Disease at UPMC

Michelle Meyers, BSN, RN

Clinical Research Nurse

Dorothy P. & Richard P. Simmons Center for
Interstitial Lung Disease at UPMC

Melissa Priore, RN

ILD Nurse, UPMC Presbyterian Shadyside
Comprehensive Lung Center

Matthew Morrell, MD

Associate Professor of Medicine

University of Pittsburgh School of Medicine,

Medical Director

UPMC Lung Transplant Program

Professor of Medicine

Vice Chair, Diversity and Inclusion,

Department of Medicine

University of Arizona College of Medicine

Kathleen O. Lindell, PhD, RN, ATSF, FAAN
Associate Professor of Medicine & Nursing
University of Pittsburgh School of Medicine
Executive Director of the SUPPORT Program,
Dorothy P. & Richard P. Simmons Center for
Interstitial Lung Disease at UPMC

Mauricio Rojas, MD
Associate Professor of Medicine
University of Pittsburgh School of Medicine
Scientific Director, Dorothy P. & Richard P.
Simmons Center for Interstitial Lung Disease
at UPMC

Deborah Piontek, BS
Director
UPMC Pulmonary Rehabilitation

Deborah Gillman, PhD
Clinical Psychologist, UPMC Presbyterian
Shadyside Comprehensive Lung Center

Pablo Sanchez, MD, PhD, FACS
Assistant Professor of Cardiothoracic Surgery
University of Pittsburgh
Surgical Director
UPMC Lung Transplant and ECMO

Disclaimer Statement

The information presented at this CME program represents the views and opinions of the individual presenters, and does not constitute the opinion or endorsement of, or promotion by, the UPMC Center for Continuing Education in the Health Sciences, UPMC / University of Pittsburgh Medical Center or Affiliates and University of Pittsburgh School of Medicine. Reasonable efforts have been taken intending for educational subject matter to be presented in a balanced, unbiased fashion and in compliance with regulatory requirements. However, each program attendee must always use his/her own personal and professional judgment when considering further application of this information, particularly as it may relate to patient diagnostic or treatment decisions including, without limitation, FDA-approved uses and any off-label uses.

Faculty Disclosure

All individuals in a position to control the content of this education activity including members of the planning committee, speakers, presenters, authors, and/or content reviewers have disclosed all relevant

financial relationships with any entity producing, marketing, re-selling, or distributing health care goods or services, used on, or consumed by, patients.

The following relevant financial relationships were disclosed:

Daniel Kass, MD receives grant/research support from Boehringer-Ingelheim and Regeneron pharmaceuticals.

Marilyn Glassberg, MD receives grant/research support from Genentech, she is a consultant for Genentech Roche, Boehringer Ingelheim, Bellerophon, and she is on the CE Speakers Bureau for the France Foundation, Paradigm, and Peerivew.

No other planners, members of the planning committee, speakers, presenters, authors, content reviewers and/or anyone else in a position to control the content of this education activity have relevant financial relationships to disclose.

We gratefully acknowledge support from the following for this activity:
