## PrEP Summit Engagement, Adherence, Retention

Priory Hotel Grand Hall, Pittsburgh, PA  
Tuesday, October 8, 2019

### PROGRAM OVERVIEW

This full day clinical conference will bring together experts in Pre-Exposure Prophylaxis (PrEP) for HIV Prevention in order to enable experienced and novice PrEP providers to develop skills to effectively care for those individuals at risk for HIV and to increase retention of PrEP patients in a diverse population. Experts will discuss special considerations including engagement, adherence and retention for female, transgender, and adolescent patients. This program will include interactive panels of community representatives and local providers for participants to discuss their particular clinical concerns.

### PROGRAM OBJECTIVES

**Upon completion of this program, participants will be able to:**

- Review pathophysiology, clinical criteria and safety monitoring for PrEP
- Identify importance of engagement, adherence and retention for building and maintaining PrEP clinic programs
- Identify the key aspects of providing PrEP and HIV prevention services to youth and adolescents, and how reaching this population could affect the HIV Care Continuum
- Describe special concerns for PrEP engagement, adherence and retention among youth and adolescents (*lack of knowledge about PrEP and HIV, adherence/taking pills, retention and returning to clinic, insurance and parental consent for minors, etc*)
- Discuss opportunities to improve PrEP engagement, adherence and retention among youth and adolescents through illustrative case studies and model clinical programs
- Identify the key aspects of providing PrEP and HIV prevention services to MSM, Trans Women, and PWID populations, and how reaching these populations could affect the HIV Care Continuum
- Describe special concerns for PrEP engagement, adherence and retention among MSM, Trans Women and PWID (*racial and ethnic disparities in HIV risk and uptake of PrEP, engagement in healthcare, stigma and discrimination, etc*)
- Discuss opportunities to improve PrEP engagement, adherence and retention among MSM, Trans Women and PWID through illustrative case studies and model clinical programs
- Identify the key aspects of providing PrEP and HIV prevention services to women and how reaching this population could affect the HIV Care Continuum
- Describe special concerns for PrEP engagement, adherence and retention among women (*PK data for vaginal tissue, lack of knowledge about PrEP, importance of adherence, pregnancy related concerns and family planning, etc*)
- Discuss opportunities to improve PrEP engagement, adherence and retention among women through illustrative case studies and model clinical programs
- Discuss engagement, adherence and retention of special populations in PrEP and HIV prevention services with community representative panel
- Discuss engagement, adherence and retention of special populations in PrEP and HIV prevention services with local provider panel

### TARGET AUDIENCE

The intended audience for this program includes experienced and novice PrEP providers and health professionals, including physicians, nurse practitioners, physician assistants, pharmacists, PrEP navigators and case managers, interested in advanced clinical care and retention for patients eligible for Pre-Exposure Prophylaxis for HIV prevention.

## PrEP Summit Engagement, Adherence, Retention

Priory Hotel Grand Hall, Pittsburgh, PA  
Tuesday, October 8, 2019

| <b>ACCREDITATION OFFERED</b>  |   |
|---|---|
| <b>CME</b>  | <p>In support of improving patient care, this activity has been planned and implemented by the University of Pittsburgh and the MidAtlantic AETC. The University of Pittsburgh is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.</p> <p>Physicians<br/>The University of Pittsburgh School of Medicine designates this live activity for a maximum of 6.25 <i>AMA PRA Category 1 Credits™</i>. Physicians should only claim credit commensurate with the extent of their participation in the activity.</p> <p>Other health care professionals<br/>Other health care professionals will receive a certificate of attendance confirming the number of contact hours commensurate with the extent of participation in this activity.</p> <p><i>The information presented at this CME program represents the views and opinions of the individual presenters, and does not constitute the opinion or endorsement of, or promotion by, the UPMC Center for Continuing Education in the Health Sciences, UPMC / University of Pittsburgh Medical Center or Affiliates and University of Pittsburgh School of Medicine. Reasonable efforts have been taken intending for educational subject matter to be presented in a balanced, unbiased fashion and in compliance with regulatory requirements. However, each program attendee must always use his/her own personal and professional judgment when considering further application of this information, particularly as it may relate to patient diagnostic or treatment decisions including, without limitation, FDA-approved uses and any off-label uses.</i></p> |
| <b>PSNA</b>   | <p>The MidAtlantic AIDS Education and Training Center is an approved provider of continuing education by the Pennsylvania State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.</p> <p>This activity qualifies for 5.75 contact hours.</p>  |
| <b>LSW/LCSW, LPC, LMFT</b>  | <p>This program is offered for 5.5 hours of social work continuing education through co-sponsorship of the University of Pittsburgh's School of Social Work, a Council on Social Work Education-accredited school and, therefore, a PA-approved provider of social work continuing education. These credit hours satisfy requirements for LSW/LCSW, LPC and LMFT biennial license renewal.</p>  |
| <b>CPH</b>  | <p>This program is offered for 6 credits of CPH CEs through the University of Pittsburgh's Graduate School of Public Health, accredited through the Council on Education for Public Health (CEPH) a pre-approved CE provider. For information on public health continuing education call (412) 648-5984.</p>  |
| <b>CEU</b>  | <p>The MidAtlantic AIDS Education and Training Center, Department of Infectious Diseases and Microbiology, University of Pittsburgh, awards Continuing Education Units to individuals who enroll in certain educational activities. This program is awarded 0.575 continuing education credits.</p>   |
| <b>FUNDING ACKNOWLEDGEMENT</b>  |   |
| <p>This project is supported by the Health Resources Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) under grant number U10HA29295 AIDS Education and Training Center (AETC). This information or content and conclusions are those of the author and should not be construed as the official position of policy of, nor should any endorsements be inferred by HRSA, HHS, or the U.S. Government.</p> |   |
