

UPMC Hillman Cancer Center and the University of Pittsburgh School of Medicine Center for Continuing Education in the Health Sciences Presents:

## **8<sup>th</sup> Annual Cancer Survivorship Conference** **Clinical Management of Immunotherapy Sequelae**

**Date:** Saturday, November 7, 2020

**Time:** Virtual Registration to Microsoft Teams begins at 7:30 am  
Conference: 8:00 am – 1:15 pm

**Location:** Virtual Attendance via Microsoft Teams

### **Course Director:**

**G. van Londen, MD, MSc**

*Director, Cancer LiveWell Survivorship Program*  
UPMC Hillman Cancer Center and  
Magee-Womens Cancer Program

### **Planning Committee:**

**Catherine M. Bender, PhD, RN, FAAN**

*Professor, Nursing and Clinical and  
Translational Science Institute  
Nancy Glunt Hoffman Endowed Chair in  
Oncology Nursing  
University of Pittsburgh School of Nursing  
Co-Leader, Biobehavioral Cancer Control  
Program*

**Kathleen Bryte, MSN, RN, OCN**

*Advanced Clinical Education Specialist  
Patient, Family, and Community Education  
Nurse  
UPMC Hillman Cancer Center at  
UPMC Passavant*

**Jill A. Brufsky, PharmD**

*Adjunct Assistant Professor of Medicine  
University of Pittsburgh*

**Kayla Bylinowski, PA-C**

*Oncology Hematology Associates  
UPMC Hillman Cancer Center, Butler*

**Sara B Maloney, LCSW, MSW**

*Lead Patient Navigator  
Magee Womens Hospital of UPMC with  
Hillman Cancer Center*

**Program Goal:**

To provide health care professionals with the knowledge and skills needed to promote evidence-based care to oncology patients and their caregivers throughout the survivorship continuum.

**Target Audience:**

Virtual attendance of oncology and non-oncology providers including physicians, advanced practice providers, nurses, social workers, and other healthcare providers working with patients and families surviving cancer across the nation.

**Course Objectives:**

Upon completion of this program, attendees will:

- Have increased knowledge of health promotion, assessment, and needs management strategies in survivorship.
- Identify local, regional, and national health promotion resources that are available for healthcare providers and survivors.
- Have increased knowledge of methods to promote adherence throughout all phases of survivorship.

**Course Handouts:**

A link containing the copy of presentation slides will be emailed to registrants prior to the virtual conference date.

## **Continuing Education**

In support of improving patient care, the University of Pittsburgh is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

### **Physician (CME)**

The University of Pittsburgh designates this live activity for a maximum of 4.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### **Nursing (CNE)**

The maximum number of hours awarded for this Continuing Nursing Education activity is 4.5 contact hours.

### **Physician Assistant (AAPA)**

The University of Pittsburgh has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 4.5 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

### **Social Work**

As a Jointly Accredited Organization, University of Pittsburgh is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. University of Pittsburgh maintains responsibility for this course. Social workers completing this course receive 4.5 continuing education credits.

### **Other Healthcare Professionals**

Other health care professionals will receive a certificate of attendance confirming the number of contact hours commensurate with the extent of participation in this activity.

## Faculty

### **Dana Pinkhasova, MD**

Clinical Assistant Professor of Medicine  
Division of Endocrinology and Metabolism  
University of Pittsburgh Medical Center  
Pittsburgh, PA

### **Timothy Patton, DO**

Assistant Professor of Dermatology  
Department of Dermatology  
University of Pittsburgh  
Pittsburgh, PA

### **Elad Sharon, MD, MPH**

Senior Investigator  
National Cancer Institute  
National Institute of Health  
Bethesda, MD

### **Rowena Schwartz, PharmD, BCOP**

Professor of Pharmacy Practice  
University of Cincinnati  
James L Winkle College of Pharmacy  
Cincinnati, Ohio

### **Saša Živković, MD, PhD**

Professor of Neurology  
University of Pittsburgh Medical Center  
Pittsburgh, PA

## Agenda

- 7:30 am**      **Microsoft Teams Log In/Industry Breakout**
- 8:00 am**      **Welcome**  
*G. van Londen, MD, MSc*
- 8:10 am**      **Saša Živković, MD, PhD**  
*Neurologic Complications of Cancer Immunotherapy*
- 8:55 am**      **Rowena Schwartz, PharmD, BCOP**  
*Keynote - Considerations in Toxicity Management with Immunotherapy: Beyond the Common Toxicities from Trials to Patient Care Issues*
- 9:55 am**      **Break/Industry Breakout**
- 10:15 am**     **Timothy Patton, DO**  
*Cutaneous Side Effects of Immune/Targeted Cancer Therapies*
- 11:00 am**     **Diana Pinkhasova, MD**  
*Immunotherapy-Related Endocrinopathies*
- 11:45 am**     **Break/Industry Breakout**
- 12:05 pm**     **Elad Sharon, MD, MPH**  
*Keynote*
- 1:05 pm**      **Closing**  
*G. van Londen, MD, MSc*
- 1:15 pm**      **Adjournment/Industry Breakout**
- 1:30 pm**      **Microsoft Teams Log Off**

### **Disclaimer Statement:**

The information presented at this CME program represents the views and opinions of the individual presenters, and does not constitute the opinion or endorsement of, or promotion by, the UPMC Center for Continuing Education in the Health Sciences, UPMC / University of Pittsburgh Medical Center or Affiliates and University of Pittsburgh School of Medicine. Reasonable efforts have been taken intending for educational subject matter to be presented in a balanced, unbiased fashion and in compliance with regulatory requirements. However, each program attendee must always use his/her own personal and professional judgment when considering further application of this information, particularly as it may relate to patient diagnostic or treatment decisions including, without limitation, FDA-approved uses and any off-label uses.

### **Faculty Disclosure:**

All individuals in a position to control the content of this education activity including members of the planning committee, speakers, presenters, authors, and/or content reviewers have disclosed all relevant financial relationships with any entity producing, marketing, re-selling, or distributing health care goods or services, used on, or consumed by, patients.

The following relevant financial relationships were disclosed:

- Rowena Schwartz, PharmD, BCOP, Consultant: Merck-Biosimilars
