Overview

This conference is designed to provide state of the art information and best practice guidelines in the treatment of acute and chronic wounds. Both medical and surgical management strategies to optimize wound healing will be addressed.

Objectives

The goal of this symposium is to provide a comprehensive overview on the treatment of wound care-related issues and innovations in the field. Upon completion of this course, participants should be able to:

- Understand the link of bioburden to wound chronicity
- Understand treatment protocols for osteomyelitis
- Examine the role that venous reflux disease has in lower extremity wounds
- Differentiate between dermatitis, vasculitis and rashes
- Identify new International Wound Guidelines for Diabetic Foot (IWGDF)
- Compare and contrast various wound dressing choices
- Review new clinical guidelines for pressure injuries
- Identify nutrition interventions that optimize wound healing

Who Should Attend?

This course is intended for physicians, nurses, physical therapists, podiatrists, advanced practice providers and all clinicians involved in wound healing or wound care issues. Course material will benefit both novice and experienced clinicians.

Meeting Location

This year's meeting will be held virtually online. See details under registration for more information.

Continuing Education Credit

In support of improving patient care, the University of Pittsburgh is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the health care team.

Physician (CME)

The University of Pittsburgh designates this live activity for a maximum of **6 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nursing (CNE)

The maximum number of hours awarded for this Continuing Nursing Education activity is **6** contact hours.

Other Health Care Professionals

Other health care professionals will receive a certificate of attendance confirming the number of contact hours commensurate with the extent of participation in this activity.

This activity has been planned and implemented in accordance with the standards and requirements for approval of providers of continuing education in podiatric medicine through a joint provider agreement between UPMC Mercy and UPMC Wound Healing Services. UPMC Mercy is approved by the Council on Podiatric Medical Education as a provider of continuing education in podiatric medicine. UPMC Mercy has approved this activity for a maximum of **6** continuing education contact hours.

Physical therapy credits have been submitted and are pending approval.

Call for Poster Abstracts

We will **NOT** be accepting poster abstracts this year, however, please stay tuned for our 2021 symposium for more details.
