**Course Director**

**Richard Guido, MD**

Professor of Obstetrics, Gynecology  
and Reproductive Sciences  
University of Pittsburgh School of Medicine  
Department of Obstetrics and Gynecology,  
UPMC Magee-Womens Hospital

## Overview

For this year's Magee Alumni Day program, we have an exciting line-up of speakers consisting of past and current faculty and former residents. The program will feature updates on clinical care over the entire age spectrum of our patients. We expect the program to present topics that pose challenging clinical, technical, ethical and financial issues that today's OB/GYN often faces, whether in practice or in an academic career. The program features endowed lectures – the Cohen, McCall, OB/GYN Legacy, Katz Minimally Invasive Surgery and Kunschner Memorial lectures as well as the inaugural Steve N. Caritis Lecture.

## Target Audience

This program is focused on health care practitioners in obstetrics and gynecology as well as in other primary care specialties.

## Objectives

- ◆ Be able to identify changes in medical milieu and how that has impacted residency and fellowship surgical training, and methods to improve training.
- ◆ To review the evidence that maternal anti-fetal rejection occurs in patients with pregnancy complications and review placental pathology which supports the presence of the rejection.
- ◆ Describe how childbirth impacts the later development of pelvic floor disorders.
- ◆ Review conservative fibroid treatment options.
- ◆ Review and appreciate the past and current situation around COVID-19 and explore future implications.
- ◆ Review the most common vulvar dermatoses, lichen sclerosis, lichen planus and lichen simplex chronicus.

## Social Reception and Dinner

In addition to the Magee Alumni Day lectures, there will be a Social Reception and Dinner for the guest speakers and those having class reunions on **Thursday, October 14** starting at 6 pm at the **Pittsburgh Golf Club**. Please RSVP separately for this event by **Thursday, October 7** to Colleen Straub, Magee-Womens Foundation, cstraub@magee.edu or (412) 641-8978.

The Alumni Program will also be available live virtually via **TEAMS** for anyone who cannot make it back to Pittsburgh.

## The Inaugural Steve N. Caritis Lecture

The inaugural Steve N. Caritis Lecture will be held on **October 15, 2021** with **Roberto Romero, MD, DMedSci**, presenting the lecture.

Dr. Romero is Chief, Perinatology Research Branch and Director, Division of Obstetrics and Maternal-Fetal Medicine, Intramural Division, NICHD, NIH, DHHS. He is also the Editor-in-Chief for Obstetrics of the *American Journal of Obstetrics & Gynecology*.

This lecture was established by Dr. Caritis in recognition of his mentors and the opportunities afforded him at UPMC Magee-Womens Hospital. His five decades of caring for patients, mentoring colleagues and teaching trainees has made and continues to make an indelible impact at Magee.

## Continuing Education Credit

In support of improving patient care, the University of Pittsburgh is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

**Physician (CME)** – The University of Pittsburgh designates this live activity for a maximum of **4.0 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Nursing (CNE)** – The maximum number of hours awarded for this Continuing Nursing Education activity is **4.0** contact hours.

**Physician Assistant (AAPA)** – The University of Pittsburgh has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for **4.0 AAPA Category 1 CME credits**. PAs should only claim credit commensurate with the extent of their participation.

**Other Health Care Professionals** – Other health care professionals will receive a certificate of attendance confirming the number of contact hours commensurate with the extent of participation in this activity.

## Meeting Location

The Alumni Program will take place in person at the Drs. Hutchinson & Hayashi Auditorium, UPMC Magee-Womens Hospital, Zero Level, 300 Halket Street, Pittsburgh, PA 15213, following the UPMC restrictions due to COVID-19.

**Parking** is on your own.

Gynecology*

## Registration Information

Registrations are due by **October 4, 2021**. After **October 4, 2021** we cannot guarantee space in the program or any program inclusions for those registrations received after this date. Whether or not you are attending in person or virtually, registration is required.

### Online Registrations (October 4, 2021)

Registering online through the Center for Continuing Education in the Health Sciences (CCEHS) is the quickest and easiest way to reserve your space.

Our internet address is <https://cce.upmc.com/46th-annual-alumni-day>.

- ◆ Select LOG IN if you already have an account, or choose REGISTER if you are new to CCEHS (if new, you will need to create an account by entering all requested information).
- ◆ Please select the course and then you will need to CHECK OUT to complete the registration process.
- ◆ After successfully registering for the course, you will receive a confirmation email from CCEHS that also includes your web link to join the TEAMS platform to view the online presentations the day of the event.

**Please note:** Registration is not complete until you receive your email confirmation with web link from CCEHS. CCEHS is also where you will return to complete your course evaluation and submit for CME/CEU post conference.

If you do not receive confirmation within seven days of registration, please contact us at **412-641-1674**.

### Onsite Registrations

As of **October 5, 2021**, registrations will only be accepted at the conference site if space allows.

*The UPMC Center for Continuing Education in the Health Sciences reserves the right to cancel this program if sufficient registrations are not received. In the case of cancellation, the department will fully refund registration fees.*

## Registration Types and Rates

### Alumni Day-only:

Due to the limitations that COVID has caused, it has been decided to offer the 2021 program, whether you attend in person or virtually, **free for all registrants**.

### Registration includes:

- ◆ Continuing education credit
- ◆ Refreshments and a light lunch for onsite participants
- ◆ Access to online viewing of lectures

### For additional information, contact:

Michele Nix, Residency Program Coordinator

Telephone: **412-641-1674**

Email: [nixml@upmc.edu](mailto:nixml@upmc.edu)

## Special Needs

Participation by all individuals is encouraged. Advance notification of any special needs will help us provide better service. Please notify us of your needs at least two weeks in advance of the program by emailing [nixml@upmc.edu](mailto:nixml@upmc.edu) or phone **412-641-1674**.

## Hotel Accommodations

There is a block of rooms being held for Alumni Day at the Residence Inn, directly across the street from the hospital for anyone who wants to stay close by. Please contact the **Residence Inn Pittsburgh Oakland/University Place**, 3341 Forbes Avenue, Pittsburgh, PA 15213, phone **412-621-5600**.

Rooms will be held until **September 23**.
