Expedia Charge Customers typically dispute Expedia charges for the following reasons: 1 Unauthorized or Fraudulent Charges If you see a booking you didn't make, this should be reported immediately. Expedia may help freeze the transaction while the investigation is ongoing. 2 Canceled Booking but No Refund Many travelers cancel flights or hotels within the allowed window but never receive their refund. This is one of the most common dispute reasons. 3 Duplicate or Incorrect Charges Being charged twice for the same reservation or billed more than the agreed amount can justify a dispute.

4 Service Not Provided If a hotel, airline, or car rental provider failed to deliver the service (for example, the hotel was closed or the flight was canceled without rebooking), you may be eligible for a refund. 5 Misleading Booking Details If the actual service significantly differs from what was advertised (wrong room type, hidden fees, missing amenities), you can raise a complaint and request a charge review.
