DISCLOSURES.

- **Nursing Accreditation Statement:** The University of Pittsburgh School of Nursing is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.
- **Nursing Statement of Contact Hours:** Nurses completing the entire activity and the evaluation tool may be awarded a maximum of 4.5 contact hours of nursing continuing professional development (NCPD).

Faculty Disclosures:

All individuals in a position to control the content of this education activity including members of the planning committee, speakers, presenters, authors, and/or content reviewers have disclosed all relevant financial relationships with any entity producing, marketing, re-selling, or distributing health care goods or services, used on, or consumed by, patients.

The following relevant financial relationships were disclosed:

- Dr. Laura Lee Hall presenter for this educational activity, is employed by NMQF and has received a grant from the CDC and Sanofi Pasteur. NMQF does not promote any specific vaccines in their work.
- Dr. Wendy C. King, presenter for this educational activity, is employed by the University of Pittsburgh and the institution has received a grant to study novel biomarkers of HBV not yet used in clinical practice.

No other planners, members of the planning committee, speakers, presenters, authors, content reviewers and/or anyone else in a position to control the content of this education activity have relevant financial relationships to disclose.

DISCLOSURES.

- **Continuing Education Credit:** In support of improving patient care, this activity has been planned and implemented by the University of Pittsburgh and the Allegheny County Immunization Coalition. The University of Pittsburgh is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.
- **Physician CME:** The University of Pittsburgh designates this live activity for a maximum of 4.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
- **Disclaimer Statement:** The information presented at this CME program represents the views and opinion of the individual presenters, and does not constitute the op or endorsement of, or promotion by, the UPMC Center for Continuing Education in the Health Sciences, UPMC/University Pittsburgh Medical Center or Affiliates and the University of Pittsburgh School of Medicine. Reasonable efforts have been taken intending for educational subject matter to be presented in a balanced, unbiased fashion and in compliance with regulatory requirements. However, each program attendee must always use their own professional judgement when considering further application of this information, particularly as it may relate to patient diagnostic or treatment decisions including, without limitation, FDA-approved uses and any off-label uses.

DISCLOSURES, CONTINUED.

- **Relevant Financial Relationships:** It is the policy of the University of Pittsburgh School of Nursing to require NCPD program faculty, speakers, presenters, and planning committee members to disclose any financial relationships with companies providing funding or manufacturer of any commercial products discussed in the educational activity.
 - Dr. Laura Lee Hall presenter for this educational activity, is employed by NMQF and has received a grant from the CDC and Sanofi Pasteur. NMQF does not promote any specific vaccines in their work.
 - Dr. Wendy C. King, presenter for this educational activity, is employed by the University of Pittsburgh and the institution has received a grant to study novel biomarkers of HBV not yet used in clinical practice.
 - All relevant financial relationships for this educational activity have been mitigated.
- **Non-Endorsement of Products:** The University of Pittsburgh School of Nursing, the American Nurses Credentialing Center (ANCC), and ACIC does not endorse the use of any commercial products discussed or displayed in conjunction with this educational activity.

CONFERENCE LEARNING OUTCOMES.

- Utilize the most up-to-date guide to clinical practice related to the COVID-19
- Develop strategies to use to correct misconceptions related to vaccines and immunization protocols
- Analysis of a large health system's response to a global pandemic
- Examine how to prevent HPV infection
- Summarize the current trends related to pertussis

THANK YOU.
