This conference was made possible in part through the UPMC Pinnacle Foundation.

The UPMC Pinnacle Foundation is a 501(c)(3) nonprofit organization that coordinates charitable giving to support community benefit and education programs, the needs of seven hospitals, and resources that improve access to and quality of care throughout UPMC in central Pa.

With nearly 100 different funds that benefit the hospitals as well as the community, the UPMC Pinnacle Foundation invests locally in the resources and people that continually make the life-changing medicine of UPMC in central Pa. a reality.

All money raised by the UPMC Pinnacle Foundation remains in central Pennsylvania to support programs and services at UPMC of Central Pa.

The Endometriosis Fund

The Endometriosis Fund was established in 2021. The donations received for this fund will be used to meet the needs of UPMC Magee-Womens in central Pa. related to diagnosing, treating, and studying endometriosis. Funding may be used, but not limited to: educational purposes for staff/current patients/local community members, UPMC Magee-Womens in central Pa. events and registration fees for current/former/prospective patients, assistance with patient medical bills, and research studies conducted by UPMC Magee-Womens in central Pa. providers related to endometriosis.

A continuing education service of UPMC.

LIFE CHANGING MEDICINE

Endometriosis Conference Overview

Designed to educate participants on current medical and surgical approaches to treat endometriosis. A continuing education service of UPMC.

Location

Penn Harris Hotel
1150 Camp Hill Bypass
Camp Hill, PA 17011

A virtual option is also available.

Audience

- Obstetricians/Gynecologists
- Family Medicine Practitioners
- Advanced Practice Providers
- Registered Nurses and Licensed Practical Nurses

Purpose

- This conference is designed to educate participants on current medical and surgical approaches to treat endometriosis.

Objectives

- Discuss the pathophysiology and diagnosis of endometriosis
- Relate current medical and surgical treatments of endometriosis
- Describe current approaches and advances in the treatment of endometriosis, and future treatment options

Accreditation and Credit Designation Statement

In support of improving patient care, the University of Pittsburgh is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physician (CME)

The University of Pittsburgh designates this live activity for a maximum of *5.5 AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nursing (CNE)

The maximum number of hours awarded for this Continuing Nursing Education activity is 5.5 contact hours.

Physician Assistant (AAPA)

The University of Pittsburgh has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 5.5 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Other health care professionals will receive a certificate of attendance confirming the number of contact hours commensurate with the extent of participation in this activity.

Endometriosis Conference Provider CE Schedule

7:15 a.m. **On-site Registration and Exhibits**

8 a.m. **Welcome and Introduction**

Timothy Deimling, MD, MSc, FACOG

8:15 a.m. **Endometriosis: Symptoms, Presentation, and Diagnosis**

Jin Hee Kim, MD, MSc, FACOG

Objectives:

1. Describe common symptoms associated with endometriosis
2. Understand the typical and atypical presentations of women with endometriosis
3. Review the diagnostic criteria required for endometriosis

8:50 a.m. **Adenomyosis: Is It Related?**

Andrea Benton, MD, FACOG

Objectives:

1. Describe adenomyosis including histopathology and pathogenesis
2. Review epidemiology and risk factors associated with adenomyosis
3. Describe the clinical presentation and diagnosis and management options for adenomyosis

9:25 a.m. **The Brain and Pelvic Pain: Examining the Connection Between Psychiatric Disorders and Endometriosis**

Nicole Donnellan, MD, FACOG

Objectives:

1. Describe common clinical presentations of endometriosis
2. Understand the association between mood disorders and endometriosis
3. Appreciate the importance of a multidisciplinary approach to care of endometriosis patients

10 a.m. **Panel Discussion**

Timothy Deimling, MD, MSc, FACOG

10:20 a.m. **Coffee Break/Exhibitors**

10:40 a.m. **Keynote Presentation
Endometriosis: Current Perspectives**

Rick Burney, MD, MSc, FACOG

Objectives:

1. Understand the molecular hallmark features and pathogenesis of endometriosis
2. Review current diagnostic approaches

3. Discuss the link between endometriosis and infertility

4. Update the progress on precision medicine-focused approaches to treatment

11:30 a.m. **Lunch**

12:30 p.m. **Pearls for the Management of Endometriosis**

Kristin Patzkowsky, MD, FACOG

Objectives:

1. Describe first and second line medical therapies for endometriosis
2. Explain the mechanisms of action of these medical treatments
3. Recognize the indications for surgical treatment
4. Discuss management strategies for patients with endometriosis and endometriomas

1:05 p.m. **Surgical Management of Endometriosis: Pitfalls and Pearls**

Gerald Harkins, MD, MPT, FACOG

Objectives:

1. Describe indications for endometriosis surgery
2. Understand the different surgical interventions utilized to manage endometriosis
3. Appreciate the role of specialized training and multidisciplinary care in the surgical management of endometriosis

1:40 p.m. **Calming the Storm: Management of Endometriosis After Surgery**

Timothy Deimling, MD, MSc, FACOG

Objectives:

1. Discuss the physiology of long-term endometriosis-associated symptoms
2. Integrate medical and surgical interventions into a long-term endometriosis treatment plan
3. Appreciate endometriosis as a life-long medical condition

2:15 p.m. **Panel Discussion**

Andrea Benton, MD, FACOG

2:45 p.m. **Closing Remarks**

Timothy Deimling, MD, MSc, FACOG

3 p.m. **Adjournment**

Timothy Deimling, MD, MSc, FACOG
