

UPMC PHYSICIAN LEADERSHIP ESSENTIALS

The UPMC Physician Leadership Essentials program is part of a multi-year comprehensive approach to physician leadership development which will focus on multiple interventions over time to address the development needs of the entire physician employment life cycle. The purpose is to:

- Equip physician leaders with the confidence and skills necessary to be successful.
- Identify and leverage personal and team strengths.
- Build community amongst physician leaders across UPMC.
- Monitor progress throughout their leadership journey.

The curriculum is designed around a framework which includes UPMC mission, values and leadership topics and will be centered around the UPMC Experience and physician well-being.

Quick Facts:

- Each session of this live activity is 6 hours of instruction for a total of 36 hours.
- Program Frequency: Six days of six-hour instruction time each, once every two months.
- Course Modality: There will be two modality options available: 1) a fully virtual, synchronous experience or 2) a face to face* experience (subject to potential COVID restrictions at the time of delivery).
- Learning Methods: Small group discussions, skill enhancement activities, real time case studies, role plays and projects.
- This activity is approved for the following credit: AMA PRA Category 1 Credit™.
- Other health care professionals will receive a certificate of attendance confirming the number of contact hours commensurate with the extent of participation in this activity.

Who should apply:

- Physician leaders, experienced or new to UPMC, who want to:
 - > Expand leadership skills
 - > Build business acumen
 - > Connect with other physician leaders

To apply:

Speak with your leadership about whether this is the best option for you. Then submit your application [HERE](#).

**For the Face to Face option, should there be any safety concerns or restrictions for any of the learning days in the program, we will move that learning day to a virtual modality. We will keep all participants informed of program modality on a timely manner.*
