Program Goal:

To provide health care professionals with the knowledge and skills needed to promote evidence-based care to oncology patients and their caregivers throughout the survivorship continuum.

Target Audience:

Virtual attendance of oncology and non-oncology providers including physicians, advanced practice providers, nurses, social workers, and other healthcare providers working with patients and families surviving cancer across the nation.

Course Objectives:

Upon completion of this program, attendees will:

- Have increased knowledge of health promotion, assessment, and needs management strategies in survivorship.
- Identify local, regional, and national health promotion resources that are available for healthcare providers and survivors.
- Have increased knowledge of methods to promote adherence throughout all phases of survivorship.

Course Handouts:

A link containing the copy of presentation slides will be emailed to registrants prior to the virtual conference date upon request. Presentations will be shared as received by faculty and as permitted by speakers.

Continuing Education

In support of improving patient care, the University of Pittsburgh is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physician (CME)

The University of Pittsburgh designates this live activity for a maximum of 4.5 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nursing (CNE)

The maximum number of hours awarded for this Continuing Nursing Education activity is 4.5 contact hours.

Physician Assistant (AAPA)

The University of Pittsburgh has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 4.5 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Social Work

As a Jointly Accredited Organization, University of Pittsburgh is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. University of Pittsburgh maintains responsibility for this course. Social workers completing this course receive 4.5 continuing education credits.

Other health care professionals will receive a certificate of attendance confirming the number of contact hours commensurate with the extent of participation in this activity.
