

2022 NADDI Pennsylvania Regional Training Conference

Prescription Drug Abuse and Diversion

Thursday, May 12, 2022

Blair County Convention Center

1 Convention Center Drive

Altoona, PA 16602

Program Overview

The topics provided in this training will assist professionals further and provide resources in addressing the current issues with drug addiction treatment. A better understanding of the PA Medical Marijuana program will help professionals better handle those patients who are prescribed medical marijuana. The PDMP is very important in helping curb overprescribing of medications. Explaining and providing insight on the new PDMP will help professionals see and understand the importance of the system.

Learning Objectives

The objective of this training is to provide training and education to medical professionals on different drug treatment options for patients, a better understanding of the PA Medical Marijuana program, and an overview of the current updated Pennsylvania Prescription Drug Monitoring Program. Current Drug Trends will also be presented providing insight on current issues the attendees might see on a daily basis at work and help them be prepared for such trends

Target Audience

The target audience for this training includes medical professionals, first responders, law enforcement and compliance investigators.

Accreditation and Designation Statement

In support of improving patient care, this activity has been planned and implemented by the University of Pittsburgh and National Association of Drug Diversion Investigators (NADDI). The University of Pittsburgh is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physician (CME)

The University of Pittsburgh designates this live activity for a maximum of 6.75 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nursing (CNE)

The maximum number of hours awarded for this Continuing Nursing Education activity is 6.75 contact hours.

Pharmacy (CPE)

This knowledge-based activity provides 6.25 contact hours of continuing pharmacy education credit.

Other health care professionals will receive a certificate of attendance confirming the number of contact hours commensurate with the extent of participation in this activity.

Disclaimer Statement

The information presented at this CME program represents the views and opinions of the individual presenters, and does not constitute the opinion or endorsement of, or promotion by, the UPMC Center for Continuing Education in the Health Sciences, UPMC / University of Pittsburgh Medical Center or Affiliates and University of Pittsburgh School of Medicine. Reasonable efforts have been taken intending for educational subject matter to be presented in a balanced, unbiased fashion and in compliance with regulatory requirements. However, each program attendee must always use his/her own personal and professional judgment when considering further application of this information, particularly as it may relate to patient diagnostic or treatment decisions including, without limitation, FDA-approved uses and any off-label uses.

Faculty Disclosure

No members of the planning committee, speakers, presenters, authors, content reviewers and/or anyone else in a position to control the content of this education activity have relevant financial relationships with any companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

The safety and wellbeing of our attendees and colleagues is always a top priority. The Blair County Convention Center and NADDI will follow all state and CDC guidelines during the conference.
