

**Introduction to Oncology for the Healthcare Provider**

Thursday, September 1, 2022

UPMC Shadyside Herberman Conference Center Room 201AB and  
Remote Attendance via Microsoft TEAMS

Learning Objectives

The learner will be able to:

1. Define the pathophysiology of malignant disease and factors that can increase a person's risk of developing cancer.
2. Recall proper guidelines surrounding those who are administering or receiving chemotherapy.
3. Recall the role of different treatment modalities in the management of patients with cancer.
4. Identify supportive care, symptom management, and psychosocial needs of patients with cancer.

Social Worker  
UPMC Hillman Cancer Center*

Contact Hours

In support of improving patient care, the University of Pittsburgh is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

The University of Pittsburgh has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 5.5 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

The maximum number of hours awarded for this Continuing Nursing Education activity is 5.5 contact hours.

To receive 5.5 contact hours or attendance credit, the learner must sign in, attend the entire activity, and complete the activity evaluation.

Disclosure of Conflicts of Interest

All individuals in a position to control the content of this education activity are required to disclose all relevant financial relationships with any proprietary entity producing, marketing, re-selling, or distributing health care goods or services, used on, or consumed by patients.

The following information was provided:

Elizabeth Lacey, Linda Lakdawala, Katey Murgj, Alyssa Owens, Hannah Peterson, Brittini Prosdocimo, Tricia Seaman, Katricia Vouga, and the planning committee for this activity did not have any relevant financial relationships with a commercial interest.
