UPMC ME AIMS & Professional Development Subcommittee Mission Statement.....9

Conference Learning Objectives

- Describe the benefits for interprofessional teams accruing from successful international, regional, and local collaborations
- Discuss the key features, challenges, and opportunities for impactful interprofessional health services and outcomes collaborations
- Compare models that include comprehensive, synergistic, and transformative approaches to engagement across training programs and within GME

Target Audience

This program is designed for Program Directors, Department Chairs, Program Coordinators, Faculty, Residents, Fellows and GME Leaders.

Accreditation

In support of improving patient care, the University of Pittsburgh is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physician (CME)

The University of Pittsburgh designates this live activity for a maximum of 4.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other health care professionals will receive a certificate of attendance confirming the number of contact hours commensurate with the extent of participation in this activity.

Disclaimer Statement

The information presented at this CME program represents the views and opinions of the individual presenters, and does not constitute the opinion or endorsement of, or promotion by, the UPMC Center for Continuing Education in the Health Sciences, UPMC / University of Pittsburgh Medical Center or Affiliates and University of Pittsburgh School of Medicine. Reasonable efforts have been taken intending for educational subject matter to be presented in a balanced, unbiased fashion and in compliance with regulatory requirements. However, each program attendee must always use his/her own personal and professional judgment when considering further application of this information, particularly as it may relate to patient diagnostic or treatment decisions including, without limitation, FDA-approved uses and any off-label uses.

Faculty Disclosures

All individuals in a position to control the content of this education activity have disclosed all financial relationships with any companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

All of the relevant financial relationships for the individuals listed below have been mitigated.

Maha Kaissi, MD is a 2023 Conference Planning Committee member for the American Academy of Pediatrics Hospital Medicine

Traci Kazmerski, MD receives grant/research support Cystic Fibrosis Foundation, and is a consultant for Cystic Fibrosis Foundation

No other members of the planning committee, speakers, presenters, authors, content reviewers and/or anyone else in a position to control the content of this education activity have relevant financial relationships with any companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

Course Planners

Julie B. McCausland, MD, MS

Associate Professor of Emergency Medicine and Medicine
University of Pittsburgh School of Medicine

Program Director, UPMC Medical Education Transitional Year Residency

Melinda Hamilton, MD, MS

Professor of Critical Care Medicine & Pediatrics, University of Pittsburgh School of Medicine
President- elect of the Professional Staff, UPMC Children's Hospital of Pittsburgh
Co-Chair, UPMC Medical Education Professional Development Committee
Director, Pediatric Simulation at UPMC Children's Hospital of Pittsburgh Simulation Center and Peter M. Winter Institute for Simulation, Education, and Research (WISER)
UPMC Children's Hospital of Pittsburgh

Brittany Rosser

Project Manager, UPMC Medical Education

Melissa Hildebrand

Project Manager, UPMC Medical Education

Abstract Sessions: Oral Plenary & Poster Judges

Melinda Hamilton, MD, MS (Abstract Team Leader)

Professor of Critical Care Medicine & Pediatrics, University of Pittsburgh School of Medicine
President – elect of the Professional Staff, UPMC Children’s Hospital of Pittsburgh
Co-Chair, Professional Development Subcommittee
Director, Pediatric Simulation at UPMC Children’s Hospital of Pittsburgh Simulation Center and
Peter M. Winter Institute for Simulation, Education and Research (WISER)
UPMC Children’s Hospital of Pittsburgh

Greg Bump, MD

Professor of Medicine, University of Pittsburgh School of Medicine
Associate Dean for Graduate Medical Education
Designated Institutional Official
Chair, Graduate Medical Education

Frank Kroboth, MD

Emeritus Professor of Medicine, University of Pittsburgh School of Medicine

Michael Mangione, MD

Associate Professor of Anesthesiology, Academy of Master Educators
University of Pittsburgh School of Medicine

Jason Moore, MD

Associate Professor of Critical Care Medicine, University Pittsburgh School of Medicine
Program Director, Critical Care Medicine Fellowship

Andrew Nowalk, MD, PhD

Associate Professor of Pediatrics, UPMC Children's Hospital of Pittsburgh
Clinical Director of Infectious Diseases
Co-Director, Pediatrics Residency Program

Kristiina Parviainen, MD

Assistant Professor, Department of Obstetrics, Gynecology & Reproductive Sciences
Residency Program Director

Gretchen Shelesky, MD

Clinical Associate Professor, University of Pittsburgh School of Medicine
Director of Faculty Development Fellowship

Tony Tarchichi, MD

Associate Professor of Pediatrics, University of Pittsburgh School of Medicine

Evan “Jake” Waxman, MD, PhD

Vice Chair, Medical and Resident Education
Associate Professor of Ophthalmology

Jackie Weaver-Agostoni, DO, MPH

Program Director, Shadyside Family Medicine Residency
Clinical Assistant Professor, Department of Family Medicine

Workshops

A: Short Necessary Impactful Practical:

Using SNIPPETS to Bring Faculty Development to Busy Clinician

Erika Friehling, MD, MS

Associate Professor, University of Pittsburgh School of Medicine
Senior Associate Vice Chair for Faculty Development, Department of Pediatrics
Fellowship Program Director, Division of Pediatric Hematology/Oncology

John Szymusiak, MD, MS

Associate Vice Chair for Undergraduate Medical Education, Department of Pediatrics
Director, Pediatric Clerkship
Associate Program Director, UPMC Internal Medicine-Pediatrics Residency Program
Assistant Professor of Medicine and Pediatrics

Eleanor A. Sharp MD, MS

Associate Program Director, Pediatric Hospital Medicine Fellowship
Assistant Professor of Pediatrics, University of Pittsburgh School of Medicine
Paul C. Gaffney Division of Pediatric Hospital Medicine
UPMC Children's Hospital of Pittsburgh

Kathryn Leyens, MD

Internal Medicine-Pediatrics
UPMC Department of General Internal Medicine
Academic Clinician Educator Scholar Fellow 2021-2023

Noel Spears, MD, MPH

Vice Chair for Education, Department of Pediatrics
Associate Professor of Pediatrics
University of Pittsburgh School of Medicine
UPMC Children's Hospital of Pittsburgh
Division of Pediatric Emergency Medicine

B: Acting Globally and Locally – Limited Resource Spaces Where GME Excels

Mark Meyer, MD

Lead – Division of Global Health and Social Medicine
Global Health Track Director, UPMC Shadyside FM Residency

Sharon Connor, PharmD

Associate Professor of Pharmacy and Therapeutics
Director, Grace Lamsam Pharmacy Program for Underserved Populations
University of Pittsburgh School of Pharmacy

Kristiina Parviainen, MD, MS

Assistant Professor, Department of Obstetrics, Gynecology & Reproductive Sciences
Residency Program Director

Alexandria Taylor, PharmD

Clinical Pharmacist, UPMC St. Margaret Family Medicine and Pharmacy Programs

UPMC ME AIMS

- Train excellent physicians from diverse backgrounds in a model of patient-centered care, which builds a foundation of high value care, desirable clinical outcomes, and scientific knowledge that improves health.
- Build a supportive working and learning environment that helps physicians grow as role models for professionalism, caring and compassion.
- Create a model of professional development for residents, fellow, and faculty in graduate medical education that emphasizes expertise, leadership skills, scholarly achievement, and career advancement.
- Foster a culture that centers on the well-being of the individuals in our clinical and academic community.
- Serve the health needs of the diverse communities.
- Transform the health care system of tomorrow through innovation.
- Harness our integrated capabilities to deliver outstanding patient safety, quality, and value through graduate medical education at UPMC.

Mission Statement of the Professional Development Subcommittee of the UPMC ME Graduate Medical Education Committee

To advance the Graduate Medical Education Community through research, education, and innovation.
