Presented by

The Center for Rehabilitation Sciences Research, Department of Physical Medicine and Rehabilitation (PM&R), Uniformed Services University of the Health Sciences (USUHS)

Department of Rehabilitation, Walter Reed National Military Medical Center

The University of Pittsburgh, School of Health and Rehabilitation Sciences, Department of Rehabilitation Science and Technology, Human Engineering Research Laboratories

The Department of Veterans Affairs

University of Pittsburgh School of Medicine, Center for Continuing Education in the Health Sciences

PRESENTED BY THE CENTER FOR REHABILITATION SCIENCES RESEARCH, THE DEPARTMENT OF PHYSICAL MEDICINE AND REHABILITATION AT THE UNIFORMED SERVICES UNIVERSITY OF THE HEALTH SCIENCES; THE DEPARTMENT OF REHABILITATION, WALTER REED NATIONAL MILITARY MEDICAL CENTER; THE EXTREMITY TRAUMA AND AMPUTATION CENTER OF EXCELLENCE; AND THE UNIVERSITY OF PITTSBURGH SCHOOL OF HEALTH AND REHABILITATION SCIENCES, DEPARTMENT OF REHABILITATION SCIENCE AND TECHNOLOGY.

Course Directors:

Stuart M. Campbell, PT, MPT, *Chief, Global Health Engagement, Extremity Trauma and Amputation Center of Excellence*

Rory A. Cooper, PhD: *Director/CEO, Human Engineering Research Laboratories, VA Pittsburgh Healthcare System Associate Dean for Inclusion, School of Health and Rehabilitation Sciences, University of Pittsburgh*

Michelle J. Nordstrom, MS, OTR/L: *Assistant Professor, Clinical Research Occupational Therapist, Department of PM&R, USUHS*

Colonel (ret.) Paul F. Pasquina, MD, *Professor & Chair, Department of PM&R and Director, Center for Rehabilitation Sciences Research, USUHS; Chief, Department of Rehabilitation, Walter Reed National Military Medical Center*

Tawnee L. Sparling, MD: *Assistant Professor, Medical Director, Amputee Care, and Director, Combat Casualty Care, Department of PM&R, USUHS*

Jenny Yuan, MD, PhD: *Assistant Professor & Vice Chair for Research, Department of PM&R, USUHS*

Overview and Objectives

The overall objective of this symposium is to provide participants with an overview regarding the impact which global health engagement has on the Department of Defense (DoD), World Health Organization (WHO), and non-government organization (NGO) communities. The course will identify challenges, concerns, and considerations through lessons learned from past GHE efforts. Additionally, there will be a strong focus on aligning, synchronizing and integrating for future research and rehabilitation initiatives.

Who Should Attend

The content of the sessions will benefit civilians, veterans, and military service members, their families, caregivers, community-based organizations, government agency personnel, students, residents, and healthcare providers who work with and support global health engagement initiatives.

We gratefully acknowledge the support of The Paralyzed Veterans of America for this symposium.

**Paralyzed Veterans
of America**

State of the Science Symposium: Global Health Engagement

February 10, 2023

Global Health Engagement: Establishing and Developing Partnerships

0730 – 0800 Check-in and Registration

0800 – 0805 Introduction

Rory Cooper, PhD

Director/CEO, Human Engineering Research Laboratories

School of Health and Rehabilitation Sciences, University of Pittsburgh

0805 - 0815 Opening Remarks

Paul Pasquina, MD

Department Chair, Department of Physical Medicine and Rehabilitation

Uniformed Services University, WRNMMC

0815 – 0845 Keynote Speaker

COL (Ret) Derek Licina, DrPH

Specialist Leader

DeLoitte Consulting, LLP

0845 – 0915 Defense Health Agency

John Teyhen, MPH, REHS

Deputy Director of Staff

0915 – 0945 US Southern Command

CAPT Christine Sears, MD

Command Surgeon

0945 – 1000 Break

1000 – 1030 World Health Organization

Antony Duttine, MS

Advisor for Disability and Rehabilitation, PAHO

1030 – 1100 Uniformed Services University

CAPT Danny Shiau, MD, MPH

Director, USU Center for Global Health Engagement

1100 – 1130 Break

1130 – 1200 Prosthetic Solutions (No CME Credit Awarded)

Timothy Dillingham, MD, MS

Chair, Department of Physical Medicine and Rehabilitation

University of Pennsylvania

1200 – 1300 LUNCH BREAK

State of the Science Symposium: Global Health Engagement

February 10, 2023

The Role of Rehabilitation in Global Health Engagement

- 1300 – 1330 Rehabilitation-Based Global Health Engagements**
George J. Smolinski, MD, COL, USAR
Medical Director, TBI Program
Landstuhl Regional Medical Center Uniformed Services University
- 1330 – 1400 Spinal Cord Injury Care**
Harvinder S. Chhabra, MBBS, MS
Chief of Spine Service & Medical Director
Indian Spinal Injuries Centre
- 1400 – 1430 International Rehab Forum**
Andrew Haig, MD
Professor Emeritus
University of Michigan
- 1430 – 1445 Break**
- 1445 – 1515 Global Accessibility**
Rory Cooper, PhD
Director/CEO, Human Engineering Research Laboratories
School of Health and Rehabilitation Sciences, University of Pittsburgh
- 1515 - 1545 Allied Health Solutions**
Josef Butkus, MS, OTR/L
Occupational Therapy Supervisor
Walter Reed National Military Medical Center
- 1545 – 1630 Panel Discussion: Opportunities for Improvement within GHE Missions**
Moderator: Stuart M. Campbell PT, MPT, Chief, Global Health Engagement, EACE
- 1630 – 1700 Closing Remarks; Symposium Adjournment**

State of the Science Symposium: Global Health Engagement

February 10, 2023

Faculty Disclosure

No members of the planning committee, speakers, presenters, authors, content reviewers and/or anyone else in a position to control the content of this education activity have relevant financial relationships with any companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

CME Accreditation and Designation Statement

In support of improving patient care, this activity has been planned and implemented by the University of Pittsburgh and Department of Veterans Affairs, Uniformed Services University of the Health Sciences, Walter Reed NMMC, Paralyzed Veterans of America. The University of Pittsburgh is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physician (CME): The University of Pittsburgh designates this live activity for a maximum of 6.0 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other health care professionals will receive a certificate of attendance confirming the number of contact hours commensurate with the extent of participation in this activity.

Disclaimer Statement

The information presented at this CME program represents the views and opinions of the individual presenters, and does not constitute the opinion or endorsement of, or promotion by, the UPMC Center for Continuing Education in the Health Sciences, UPMC / University of Pittsburgh Medical Center or Affiliates and University of Pittsburgh School of Medicine. Reasonable efforts have been taken intending for educational subject matter to be presented in a balanced, unbiased fashion and in compliance with regulatory requirements. However, each program attendee must always use his/her own personal and professional judgment when considering further application of this information, particularly as it may relate to patient diagnostic or treatment decisions including, without limitation, FDA-approved uses and any off-label uses.
