

Scalp Cryotherapy

Enduring Education

Presented By:

Brittni Prosdocimo, MSN, RN, BMTCN

Learning Objectives

- Understand chemotherapy induced alopecia in oncology including physical and emotional impact in patients
- Define physiology of scalp cryotherapy and types available for oncology patient use
- Discuss evidence and side effects of scalp cryotherapy in oncology

Contact Hours

In support of improving patient care, the University of Pittsburgh is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

The maximum number of hours awarded for this Continuing Nursing Education activity is 0.5 contact hour.

Disclosure of Conflicts of Interest

All individuals in a position to control the content of this education activity are required to disclose all relevant financial relationships with any proprietary entity producing, marketing, re-selling, or distributing health care goods or services, used on, or consumed by, patients. The following information was provided:

Brittni Prosdocimo and the planning committee for this activity did not have any relevant financial relationships with a commercial interest.
