

UPMC

LIFE CHANGING MEDICINE

MEDICAL EDUCATION DAY

APRIL 19, 2023

UPMC Central PA Region physicians and healthcare professionals will present case studies, clinical topics of interest and research during medical and surgical track sessions. In addition, the program includes poster presentations, awards ceremony and a keynote address.

KEYNOTE ADDRESS:

Thom Mayer, MD, FACEP, FAAP, FACHE

"Battling Burnout and Restoring Resilience"

Dr. Thom Mayer is the Medical Director for the NFL Players Association, Executive Vice President of Leadership for LogixHealth, Founder of BestPractices, Inc., Speaker for Studer Group, and Clinical Professor of Emergency Medicine at George Washington University and Senior Lecturing Fellow at Duke University. He was named the 2018 winner of the James D. Mills Outstanding Contribution to Emergency Medicine Award, which is the highest honor of the American College of Emergency Physicians. He was recently nominated to the Pro Football Hall of Fame in Canton, Ohio. USA Today named him one of the "100 Most Important People in the NFL."

William Bambach, MD

2023 Chair, Medical Education Day Committee

Troy Mortiz, DO

President, UPMC Pinnacle Medical Staff

April 19, 2023

Welcome to Medical Education Day 2023!

We would like to thank all of those individuals who submitted abstracts for this year's program. We appreciate the time and effort you put into preparing your abstracts, presentations or posters.

This program is made possible by the generous financial support of the CGOH Foundation and the UPMC Pinnacle Medical Staff.

In addition, we'd like to thank the family of the late Dr. Loucas Tzanis for their generous support. With Dr. Tzanis' passing in 2004, his wife, Helen, established an annual award to recognize an internal medicine resident who has excelled in bedside practice, as nominated by the nursing staff. In 2020, to further recognize Dr. Tzanis' legacy, Helen, her son Evan and daughter in-law, Nia, expanded the program to recognize distinction in research by providing for financial awards to the top oral and poster presentations in the medical track at Medical Education Day. The UPMC Pinnacle Foundation's Dr. Thomas Outland Education Fund provides for the awards for the top oral and poster presentations for the surgical track.

We have organized the morning program into simultaneous presentations of medical and surgical tracks to provide areas of interest for all attendees. At the conclusion of the morning lectures, please join us for the awards ceremony and a keynote address by Thom Mayer, MD who will present "*Battling Burnout and Restoring Resilience*"

We hope that you will find this program informative and enjoyable.

Sincerely,

William Bambach, MD

William Bambach, MD
Chair, Medical Education Day Committee 2023

LIFE CHANGING MEDICINE

CENTRAL PA REGION MEDICAL EDUCATION DAY Wednesday, April 19, 2023

AGENDA		
TIME	EVENT	LOCATION
7:00 AM	Registration, Breakfast, Vendor and Poster Session	Ballroom South
7:50 AM	Opening Remarks Medical Track – Dr Bambach Opening Remarks Surgical Track – Dr DiMarco	Keystone Rooms
8:00 AM	Medical and Surgical Track Presentations begin	Keystone Rooms
9:40 AM	Break – Vendor and Poster Session	Ballroom South
10:10 AM	Medical and Surgical Track Presentations Continue	Keystone Rooms
12:00-12:30 PM	Transition to Ballroom North for Keynote/luncheon	
12:30 PM	Keynote Speaker Luncheon Thom Mayer, MD “Battling Burnout and Restoring Resilience”	Ballroom North
1:15 PM	Keynote Q&A, Dr Bambach	Ballroom North
1:30 PM	Awards Ceremony/Tzanis Family video (No CME Credit awarded)	Ballroom North
1:45 PM	Closing Remarks/Conclusion of Program - Dr Bambach	Ballroom North
2:00PM	Adjournment	Ballroom North

MEDICAL EDUCATION DAY COMMITTEE

William Bambach, MD - Committee Chair

PHYSICIAN MEMBERS	DEPARTMENT
SURGERY:	
Timothy Ackerman, DO	Orthopedic Surgery
Balint Balog, MD	Orthopedic Surgery
Robert Carman, DO	General Surgery
Luciano DiMarco, DO	General Surgery
Jeffrey Marks, DPM	Podiatric Surgery
Brynn Wolff, MD	Breast Care Center/Surgery
MEDICINE:	
William Bambach, MD - CHAIR	Internal Medicine
J Will Hensley, MD	Emergency Medicine
Aaron Barasch, DO	Osteopathic Internal Medicine
PROGRAM DIRECTORS: (Volunteer)	
Timothy Ackerman, DO	Orthopedic Surgery
Timothy Canavan, MD	Maternal Fetal Medicine
Shane Specht, DO	Osteopathic Internal Medicine (CG)
John Cinicola, MD	Internal Medicine – HH
N/A	Emergency Medicine (Dr. Hensley listed above)
Jeffrey Marks, DPM	Podiatry
Holly Thomas, MD	OB/GYN
Harold Yang, MD	General Surgery – HH
Luciano DiMarco, DO	General Surgery – CG
Michael Yurkewicz, DO	Family Medicine
Steven Collina, MD	Sports Medicine
Christopher Scheid, DO	Family Medicine - Lititz
Dale Lent, DO	Internal Medicine – Lititz
David Simons, DO	Anesthesia – Lititz
Kristin Brennan, MD	Anesthesia - HH
Atizazui Mansoor, MD	Cardiovascular
Navitha Ramesh, MD	Critical Care
NURSING MEMBERS:	
Patricia Bennett, MSN, RN, CCRN	Critical Care/Cardiac Clinical Nurse Specialist
Deborah Schafer, MSN,RN,AGCNS-BC,RNC-OB	Nursing Professional Development
EX-OFFICIO MEMBERS:	
John Goldman, MD	VP Medical Affairs, Associate DIO
Holly Thomas, MD	OB/GYN Program Director, Associate DIO
Esther Knisely	Director, Physician Education & Training
Vanessa Jordan	GME Operations Manager
Laurie Schwing	Manager, Library Services
Yijin Wert	Biostatistics and Research
Nancy Fisher	IRB Coordinator
Jarrette Thomas	Project Specialist
Dawn Becker	Executive Assistant, VP Medical Affairs

THOM MAYER, MD, FACEP, FAAP, FACHE

Dr. Thom Mayer is the Medical Director for the NFL Players Association, Executive Vice President of Leadership for LogixHealth, Founder of BestPractices, Inc., Speaker for Studer Group, and Clinical Professor of Emergency Medicine at George Washington University and Senior Lecturing Fellow at Duke University. He was named the 2018 winner of the James D. Mills Outstanding Contribution to Emergency Medicine Award, which is the highest honor of the American College of Emergency Physicians. He was recently nominated to the Pro Football Hall of Fame in Canton, Ohio. USA Today named him one of the “100 Most Important People in the NFL.” Tom Peters, the internationally acclaimed leadership guru, referred to his work as “gaspworthy.” When asked about these awards, Dr. Mayer simply says, “I have only one talent. I know how to hire people who are not only better than me, but much better than me. They won the awards, not me.”

Dr. Mayer has been the founder, CEO, and principal shareholder of physician leadership, staffing, and management and ambulance transport companies with revenues in excess of \$100 million, which were then sold with an average IRR in excess of 38%. He continues to hold intellectual property rights to all the content developed by these companies.

He is one of the most widely sought speakers on healthcare patient experience, leadership and management, hardwiring flow, trauma and emergency care, pediatric emergency care, EMS/disaster medicine, and sports medicine. His work in each of these areas has resulted in changing the very fabric of patient care.

On September 11, 2001 Dr. Mayer served as the Command Physician at the Pentagon Rescue Operation and has served on 3 Defense Science Board Task Forces, advising the Secretary of Defense. Most recently, in 2022, Dr. Mayer helped lead a mobile team to Ukraine treating almost 350 patients and training over 1,700 Ukrainian medical staffers.

He has published over 100 peer-reviewed articles, over 100 book chapters, and has edited or written 20 textbooks.

Dr. Mayer was named the ACEP Outstanding Speaker of the Year and has been named ACEP’s “Over-the-Top” award winner 3 times. *Battling Healthcare Burnout* won the ACHE’s James Hamilton Award for the best healthcare leadership book in 2022 and *Leadership for Smooth Patient Flow* won the ACHE’s James Hamilton Award for the best healthcare leadership book in 2008. In sports medicine, his work at the forefront of changing concussion diagnosis and management in the NFL has changed the way in which these athletes are diagnosed and treated.

Dr. Mayer was the originator of the entire NFL Concussion Guidelines program, and thus has changed the nature of concussion diagnosis and management world-wide. He gives many examples of his NFL experiences in his talks.

CME / DISCLOSURE

Accreditation and Designation Statement

In support of improving patient care, the University of Pittsburgh is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physician (CME)

The University of Pittsburgh designates this live activity for a maximum of 4.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nursing (CNE)

The maximum number of hours awarded for this Continuing Nursing Education activity is 4.75 contact hours.

Other health care professionals will receive a certificate of attendance confirming the number of contact hours commensurate with the extent of participation in this activity.

Faculty Disclosure:

All individuals in a position to control the content of this education activity have disclosed all financial relationships with any companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

All of the relevant financial relationships for the individuals listed below have been mitigated.

Holly Thomas, MD - CE Speakers' Bureau: Organon-Nexplanon instructor

Albert Lin, MD - Grant/Research Support: Co-I (Dept of Defense, Nat Inst of Health R01), Principle Investigator (Nat Inst of Health R21); Consultant: Athrex, Stryker; Other: Ed Board (KSSTA, Arthroscopy, JISAKOS, Annals in Joint Journal) Committee Member (AOSSM, AAOS, ASES, ISAKOs)

No other members of the planning committee, speakers, presenters, authors, content reviewers and/or anyone else in a position to control the content of this education activity have relevant financial relationships with any companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

Disclaimer Statement

The information presented at this program represents the views and opinions of the individual presenters, and does not constitute the opinion or endorsement of, or promotion by, the UPMC Center for Continuing Education in the Health Sciences, UPMC / University of Pittsburgh Medical Center or Affiliates and University of Pittsburgh School of Medicine. Reasonable efforts have been taken intending for educational subject matter to be presented in a balanced, unbiased fashion and in compliance with regulatory requirements. However, each program attendee must always use his/her own personal and professional judgment when considering further application of this information, particularly as it may relate to patient diagnostic or treatment decisions including, without limitation, FDA-approved uses and any off-label uses.

PROGRAM OVERVIEW:

The Medical Education Day allows clinical research and scholarly activity opportunities to be presented to our local and regional clinical care providers and GME Training Programs.

Continuing Education Management System Announcement

Instructions for Receiving Credit

Must be complete before May 4, 2023.

Step One: Record your attendance

- Go to <http://cce.upmc.com/code>
- *Login to your account
- Enter code: DOMFAX

Step Two: Complete the course evaluation

- Go to **My Account, My Courses, Choose Pending Activities**
- Click on the course title then click the register/complete course button to complete the course evaluation

Certificates will be available to download and stored for future reference

**If you are a new user, access <http://cce.upmc.com> to create an account.*

To answer other common questions, please visit <https://cce.upmc.com/FAQ>.
