Case Presentation	01:45 – 02:15 pm	G Fino, MD
Vascular Sonography	02:15 – 02:30 pm	G Fino, MD
Hands on Session w Live Models	02:30 – 03:00 pm	G Fino, MD
Case Presentation	03:00 – 04:00 pm	G Fino, MD
Closing, Evaluation and Adjournment	04:00 pm	G Fino, MD

Point of Care Ultrasound Workshop
05/17/2023 and 05/18/2023

CME ACCREDITATION AND CREDIT DESIGNATION

In support of improving patient care, this activity has been planned and implemented by the University of Pittsburgh and St. Clair Hospital. The University of Pittsburgh is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physician (CME)

The University of Pittsburgh designates this live activity for a maximum of 7.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other health care professionals will receive a certificate of attendance confirming the number of contact hours commensurate with the extent of participation in this activity.

FACULTY DISCLOSURE

No members of the planning committee, speakers, presenters, authors, content reviewers and/or anyone else in a position to control the content of this education activity have relevant financial relationships with any companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

The information presented at this program represents the views and opinions of the individual presenters, and does not constitute the opinion or endorsement of, or promotion by, the UPMC Center for Continuing Education in the Health Sciences, UPMC / University of Pittsburgh Medical Center or Affiliates and University of Pittsburgh School of Medicine. Reasonable efforts have been taken intending for educational subject matter to be presented in a balanced, unbiased fashion and in compliance with regulatory requirements. However, each program attendee must always use his/her own personal and professional judgment when considering further application of this information, particularly as it may relate to patient diagnostic or treatment decisions including, without limitation, FDA-approved uses and any off-label uses.
