**UPMC | CHILDREN'S
HOSPITAL OF PITTSBURGH**

*Sponsored by
University of Pittsburgh School of Medicine
Center for Continuing Education in the Health Sciences
and Department of Otolaryngology*

**Friday, October 27 - Saturday, October 28, 2023
Rangos Conference Center
UPMC Children's Hospital of Pittsburgh
4401 Penn Avenue, Pittsburgh, PA 15224**

**Course Directors
Dennis Kitsko, DO, and Rachel Whelan, MD**

Intent and Overview:

Pediatric Otolaryngology-Head and Neck Surgery continues to evolve with new technologies, treatment options, and advanced scientific knowledge. The meeting will discuss an array of topics within the field of Pediatric Otolaryngology including rhinology/head & neck, otology, sleep, quality improvement, surgical training, and airway.

This meeting will be an excellent opportunity to be updated on common and cutting-edge topics in pediatric ear, nose, and throat disorders. The course will provide panel discussions of controversial topics with experts in the field from throughout the country. It will also allow the audience to learn new and exciting approaches to the surgical and medical management of pediatric otolaryngology disorders.

Who should attend:

Otolaryngologists, primary care physicians, pediatricians, family practitioners, nurse practitioners, physician assistants, nurses, residents, audiologists, speech therapists, and other interested health care professionals.

25th Symposium: Challenges and Controversies in Pediatric Otolaryngology
