UPMC PROCIRCA ADULT ECMO TRAINING COURSE APRIL 24-26, 2024

UPMC Procirca is excited to announce our newly ELSO-endorsed Adult ECMO Training Course that meets step 1 and step 2 requirements for the ELSO Adult ECMO Certification Exam (E-AEC).

The course will be held in person at The Oaklander Hotel in Pittsburgh, PA on April 24 to 26, 2024.

This three-day course is designed for the bedside ECMO caregiver including physicians, physician assistants, perfusionists, nurses, nurse practitioners, ECMO specialists, and respiratory therapists. Didactic sessions, lead by clinical domain experts from critical care medicine, cardiothoracic surgery, and perfusion services, along with high-fidelity, immersive simulations allows UPMC Procirca to provide a truly comprehensive educational experience for providers of all backgrounds and disciplines.

This activity is approved for the following credit:
AMA PRA Category 1 Credit™.

You can register for the conference [here](#).
