

The UPMC Magee Women's Hospital Foundation & UPMC Heart and Vascular Institute Sonography Symposium

**Saturday, February 10th, 2024
8:00am—12:00pm**

**Hutchinson Hayashi Auditorium
UPMC Magee-Women's Hospital
Pittsburgh, Pennsylvania**

Course Director:

Matthew Suffoletto, MD FACC FASE
Associate Medical Director of Echo Lab, UPMC Presbyterian
Assistant Professor of Medicine
Fellow of American Society of Echocardiography

Learning Objectives:

Following completion of this symposium, learners will have the knowledge to confidently understand the diagnostic approach to hypertrophic obstructive cardiomyopathy and the recognition of apical-variant hypertrophic cardiomyopathy, including identification of features that connote greater patient risk. In addition, the learners will be able understand the echocardiographic approach to pulmonary embolism and the identification of high-risk features that can impact their patient management. There are several other areas that the learners will take away from this symposium and they include echocardiographic recognition of stress cardiomyopathy, detection of atrial septal defect, recognition and evaluation of constrictive pericarditis, echocardiography in pregnancy-associated heart disease in patients. The knowledge of these areas will better equip our current and future staff to provide the best care to our patients.

Audience:

This continuing medical education activity is designed for general cardiologists, sonographers, vascular technicians, other imagining specialists, and other interested allied health care professionals.

Saturday, February 10th, 2024

**Hutchinson Hayashi Auditorium, UPMC Magee-Women's Hospital
300 Halket St, Pittsburgh, PA 15213**

8:00am: Continental Breakfast

8:30am: Welcome from UPMC
Matthew Suffoletto, MD

Session I

8:35am: Diagnostic approach to hypertrophic obstructive cardiomyopathy
Tim Wong, MD, MS

8:50am: Apical variant hypertrophic cardiomyopathy
Baindu Sam, BS, RDCS

9:05am: Panel Discussion
Moderator: Matthew Suffoletto, MD

9:15am: Break

Session II

9:25am: Echo assessment of pulmonary embolism
Sae Jang, MD

9:40am: Takotsubo cardiomyopathy
Alexis Reed, RDCS

9:55am: Peripartum cardiomyopathy
Malamo Countouris, MD

10:10am: Panel Discussion
Moderator: Matthew Suffoletto, MD

10:20am: Break

Session III

10:30am: Atrial septal defect
Natasha Wolfe, MD

10:45am: Pericardial constriction
Agnes Koczo, MD

11:00am: Panel Discussion
Moderator: Matthew Suffoletto, MD

11:10am: Break

Session IIII

11:20am: Carotid Duplex Evaluation: Pre and Post intervention
Amy Steinmetz RVT, RDMS

- 11:35am: Duplex Evaluation of Abdominal Aortic Aneurysm**
Ryan McEnaney, MD
- 11:50am: Human Resource/Talent Acquisition**
Rebecca Barb
- 11:55am: Final Question & Answer Session**
Moderator: Matthew Suffoletto, MD
- 12:00pm: Symposium Close**

University of Pittsburgh Faculty/UPMC Faculty:

Matthew Suffoletto, MD

Associate Medical Director of Echo Lab, UPMC Presbyterian
Assistant Professor of Medicine
Fellow of American Society of Echocardiography

Tim Wong, MD, MS

Assistant Professor of Medicine
Director, UPMC Hypertrophic Cardiomyopathy Center
Director, UPMC Cardiovascular Magnetic Resonance Center
UPMC Heart and Vascular Institute

Ryan McEnaney, MD

Assistant Professor of Surgery
UPMC Heart and Vascular Institute

Baindu Sam, BS, RDCS

Echo Sonographer, Advanced
UPMC Heart and Vascular Institute

Sae Jang, MD

Division of Cardiology
UPMC Heart and Vascular Institute

Alexis Reed, RDCS

Echo Sonographer, Advanced
UPMC Heart and Vascular Institute

Malamo Countouris, MD

Assistant Professor of Medicine
Director, Clinical Scientist Track, Internal Medicine Residency Program
UPMC Heart and Vascular Institute

Amy Steinmetz RVT, RDMS

Lead PVL Technologist
Peripheral Vascular Lab Technologist
UPMC Heart and Vascular Institute

Agnes Koczo, MD

Assistant Professor of Medicine
UPMC Heart and Vascular Institute
Division of Cardiology, Department of Medicine, University of Pittsburgh School of Medicine

Natasha K. Wolfe, MD

Assistant Professor of Medicine and Pediatrics
Heart Institute at UPMC Children's Hospital of Pittsburgh
UPMC Heart and Vascular Institute

Alan Lauffer, RDCS, ACS

Clinical Specialist
UPMC Heart and Vascular Institute

William Katz, MD

Associate Professor
Director of Echocardiography Presbyterian Hospital
UPMC Heart and Vascular Institute

Rebecca Barb

Recruitment Lead, UPMC Passavant Hospital

Course Administrative Directors:

Krysta Harbison, BS

Project Specialist
UPMC Heart and Vascular Institute

Continuing Medical Education Credit

Accreditation and Designation Statement

In support of improving patient care, the University of Pittsburgh is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physician (CME)

The University of Pittsburgh designates this live activity for a maximum of 3.0 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other health care professionals will receive a certificate of attendance confirming the number of contact hours commensurate with the extent of participation in this activity.

Disclaimer Statement

The information presented at this program represents the views and opinions of the individual presenters, and does not constitute the opinion or endorsement of, or promotion by, the UPMC Center for Continuing Education in the Health Sciences, UPMC / University of Pittsburgh Medical Center or Affiliates and University of Pittsburgh School of Medicine. Reasonable efforts have been taken intending for educational subject matter to be presented in a balanced, unbiased fashion and in compliance with regulatory requirements. However, each program attendee must always use his/her own personal and professional judgment when considering further application of this information, particularly as it may relate to patient diagnostic or treatment decisions including, without limitation, FDA-approved uses and any off-label uses.

Faculty Disclosure:

All individuals in a position to control the content of this education activity have disclosed all financial relationships with any companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

All of the relevant financial relationships for the individuals listed below have been mitigated:

Tim Wong, MD, MS

Grant/Research Support: Bristol Myers Squibb, Cytokinetics, Tenaya Therapeutics (site PI for clinical trials for all 3 companies)

Consultant: unpaid participation on advisory boards for Bristol Myers Squibb and Cytokinetics

CE Speakers' Bureau: PCM Scientific

No other members of the planning committee, speakers, presenters, authors, content reviewers and/or anyone else in a position to control the content of this education activity have relevant financial relationships with any companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.
