UPMC | **HILLMAN
CANCER CENTER**

2024 UPMC Multidisciplinary Thyroid Cancer Symposium

Program Goal

This course is designed to cover the most recent advances in the therapy of benign and malignant thyroid diseases, including methods of detection, treatment, and research. Upon completion of this activity, learners from several disciplines should be able to discuss current strategies and updates in diagnosis and management of hyperthyroidism, thyroid nodules and cancer, and surgical complications, based on the latest guidelines and newest technology.

Keynote Presenters Include:

Sarah Mayson, MD

Associate Professor of Medicine
Division of Endocrinology,
Metabolism and Diabetes
University of Colorado
School of Medicine
Aurora, CO

Michael W. Yeh, MD, FACS

Professor of Surgery and Medicine;
Medical Director
UCLA Health Endocrine Center
Department of Surgery,
Division of Endocrine Surgery
Los Angeles, CA

Who Should Attend

This course is designed for physicians, nurses, and other health care professionals practicing in the areas of Endocrinology, Surgical, Medical, and Radiation Oncology, Nuclear Medicine, Pathology, General and Endocrine Surgery, and Otolaryngology.

This activity is approved for the following credits: *AMA PRA Category 1 Credit™*, ANCC, and AAPA Category 1 CME. All other health care professionals will receive a certificate of attendance confirming the number of contact hours commensurate with the extent of participation in this activity.
