In support of improving patient care, this activity has been planned and implemented by the University of Pittsburgh. The University of Pittsburgh is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

As a Jointly Accredited Organization, University of Pittsburgh is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. University of Pittsburgh maintains responsibility for this course. Social workers completing this course receive 2.0 continuing education credits.

This activity is approved for the following credits:

- CME – 2.0 credits
- ASWB (Social Work) – 2.0 credits
- AAPA – 2.0 credits
- ANCC – 2.0 credits

Attendees from other professions earn a certificate of attendance for two credits.
