

UPMC Hillman Cancer Center, partnered with University of Pittsburgh Cancer Institute, and the University of Pittsburgh School of Medicine Center for Continuing Education in the Health Sciences presents:

2024 UPMC Hillman Cancer Center Oncology Symposium

Date: October 23, 2024

Time: 8:00 am to 3:00 pm

Location: Herberman Conference Center at UPMC Shadyside Cancer Pavilion and Microsoft Teams

Program Goal

This program will take a multidisciplinary approach to discuss current treatment advances, patient survivorship, and clinician resilience encompassing oncology care.

Course Objectives

Upon completion of this program, attendees will be able to:

- Identify the efficacy and the most current evidence-based data surrounding treatment advances used for various malignancies treated throughout UPMC Hillman Cancer Center.
- Utilize resources discussed that focused on integrative modalities, psychosocial care, and survivorship to reshape patient education.
- Discuss multidisciplinary barriers related to the quality of life, self-care measures, and resilience of clinicians.

Target Audience

Advanced practice providers, nurses, and other health care professionals who work with individuals diagnosed cancer.

Tuition and Registration

Tuition for all attendees is free. For more information, contact Susan Gibson at gibsons5@upmc.edu. Course brochure and registration are available at <http://cce.upmc.com>.

Live and virtual options for attendance are available. Registration deadline is Friday, October 18, 2024.

Continuing education information will be released via e-mail at the end of the day to those who have completed the registration link provided at the venue and the chat feature of Microsoft TEAMS indicating presence at the event.

The Americans with Disabilities Act Information

Participation by all individuals is encouraged. Advance notification of any special needs will help us provide better service. Please notify Susan Gibson at gibsons5@upmc.edu of your needs at least two weeks in advance of the program. The University of Pittsburgh is an affirmative action, equal opportunity institution.

Accreditation and Credit Designation

In support of improving patient care, the University of Pittsburgh is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity is designated for 6.25 AAPA Category 1 CME credits.

The maximum number of hours awarded for this Continuing Nursing Education activity is 6.25 contact hours.

Other health care professionals will receive a certificate of attendance confirming the number of contact hours commensurate with the extent of participation in this activity.

All participants should only claim credit commensurate with the extent of their participation.

Disclaimer

The information presented at this CME program represents the views and opinions of the individual presenters, and does not constitute the opinion or endorsement of, or promotion by, the UPMC Center for Continuing Education in the Health Sciences, UPMC Affiliates, and University of Pittsburgh School of Medicine. Reasonable efforts have been taken intending for educational subject matter to be presented in a balanced, unbiased fashion and in compliance with regulatory requirements. However, each program attendee must always use his/her own personal and professional judgment when considering further application of this information, particularly as it may relate to patient diagnostic or treatment decisions including, without limitation, FDA-approved uses and any off-label uses.

We gratefully acknowledge support from the following exhibitors for this activity:

American Cancer Society, Cancer Bridges, Camp Kesem, Chartwell, Club Hope Foundation, Family House, Leukemia and Lymphoma Society, LiveLung, National Marrow Donor Program, UPMC Moving Through Cancer Program, Walking Miracles, and Young Adult Survivors United.
