PEDIATRIC UPDATE FOR PRIMARY CARE PRACTITIONERS

Friday, April 25, 2025

UPMC Cole | Wellness Center
1001 East Second St., Coudersport, PA

UPMC | COLE

COURSE DESCRIPTION

This conference is designed to update the primary care practitioner on developments in pediatric health care. It is designed for pediatricians, family practitioners, emergency room physicians, nurse practitioners and physician assistants who work with children.

OBJECTIVES

At the conclusion of this program, the participants should be able to:

- Engage with and counsel the Plain Community
- Identify and refer patients with appendicitis, intussusception, and inguinal hernia
- Support and counsel breastfeeding families
- Diagnose, refer, and co-manage children with type 1 diabetes
- Manage children with feeding problems, including G tube feedings
- Identify common pediatric orthopaedic problems and know when they need an orthopaedic referral
