

WHEN PATIENTS CAN NO LONGER MAKE THEIR OWN DECISIONS: CAPACITY, SURROGATES, AND ADVANCE DIRECTIVES

WHEN

**April 22, 2026
12 - 1pm**

WHERE

**UPMC Western Maryland
Auditoriums 1-3**

An hour-long presentation on navigating medical care when the patient no longer has the ability to make their own decisions about treatment. Targeted to nurses and social workers, the concepts of capacity, surrogate decision makers, and advance directive/living wills will be discussed in specifics of Maryland law and how they apply to our patients. Also covered, navigating these conversations with patients and families.
