**\*\*\* “Roundtable Reconnaissance/Open Mic/ etc.” Sessions:** These asterisked parts of the agenda are designed to allow members to share important information and learn from what others are doing. Therefore, please come prepared to share some key issues that you are encountering within your practice, health system or in key markets. As part of these roundtable sessions, we also encourage members to bring sample documents or other information they feel may be of benefit to other members. Provide an electronic copy or 30 printed copies of any handout materials you are willing to share. If possible, have the materials punched for insertion into a 3-ring binder.

These sessions are only as valuable as you and other members make it; your active involvement and willingness to share will benefit the entire group.

PowerPoint “micro-presentations” (i.e. 3-5 minutes) are also welcome. Please email this information to Stacy Reiff, [ops@theleadersboard.com](mailto:ops@theleadersboard.com) as soon as possible.
